John Humphrey Millar, now in his 103rd year, has written a non-fiction health booklet: a "user-friendly" manual on how to protect one's immune system to ensure a long and healthy life. This information has been gathered from his own personal experience. His impressive ability to overcome obstacles and achieve results has encouraged him to write this common sense 76-page

manual. This work, entitled ASCULAPIUS, Your Owner's Manual, is accessible to a mass audience, especially people who wish to care and maintain his or her body in good condition. It will assist in techniques to increase life span, by eating the correct food, taking nutritional supplements and daily exercise to protect oneself from illness. The purpose of this book is to remind each one of us that we are responsible for planning and carrying out care and maintenance of our body. We can slow down the damage and start repairs today. We hope that ASCULAPIUS, Your Owner's Manual sparks this kind of enthusiasm in our
