Diamond and the Eye Dec 24 2019 Of all the weird characters Detective Superintendent Peter Diamond has met in Bath, this one is the most extreme: a twenty-first-century private eye called Johnny Getz, whose office is over Shear Amazing, a hairdressing salon. Johnny has been hired by Ruby Hubbard, whose father, an antiques shop owner, has gone missing, and Johnny insists on involving 'Pete' in his investigation. When Diamond, Johnny and Ruby enter the shop, they find a body and a murder investigation is launched. Diamond is forced to house his team in the dilapidated Corn Market building across the street. His problems grow when his boss appoints Lady Bede, from the Police Ethics Committee, as an observer. Worse still, Johnny conducts his own inquiry by latching onto Ruby's stylish friend, a journalist called Olympia. Shootings from a drive-by gunman at key players create mayhem and the pressure is really on. Can the team stop more killings in this normally peaceful city? What happened to Ruby's father? And will Johnny crack the case before Diamond does?

Fire & Brimstone Oct 14 2021 Chris Desmereaux, college graduate and single mother of two, staring down the food stamp line, looking for love, compassion, and stability, is unaware that she has just been awarded her own personal advanced ghetto degree the day Gayle Evans finds her personal ad in the paper -- and answers it. Gayle Evans, toe-tapping, knee-slapping, make-you-wanna-holla Minister of Music with a divine gift from God. "Praise the Lord" is her mantra. Macking women is her game. Destroying every life she touches, Gayle brings more misery than harmony. She has a lesson or two to learn after she uses her "relationship with God" to break up a seemingly happy home. Alternately set in Washington, D.C. and Memphis, Tennessee, Fire & Brimstone is an "in your face" tale that explores lesbianism and Black motherhood as both separate and integrated issues impacting the main character's role as a single parent, while opening dialogue on same-sex domestic violence, religious beliefs, bisexuality, negligent fathers, economics, and intra-racial caste systems among African-Americans. Depending on one's beliefs and opinions, Fire & Brimstone leaves no room for "in-between" emotions, leading the reader to ultimately draw his or her own conclusion as to what the ending actually means: Is homosexuality a sin, or does God love us as we are? The author reminds us that gay women are everywhere, even in the African-American church -- a place where no one expects to find them. Fire & Brimstone does an excellent job of testing the boundaries of 21st century morality.

Night Moves Jul 19 2019 Nancy McCormick has a secret that's dangerously close to getting out, and she's doing nothing to stop it. You might say she's asking for it. You might say she doesn't know any better. And if you ever confronted Nancy herself she'd probably tell you that she had no idea what she was talking about. That's just Nancy. Misty Raines is a brash stripper with an enormous bouncing rack and a knack for dishing out her own irrelevant brand of disgusting streetwise advice. As unpredictable as she is unapologetic, Misty is Misty and if you don't like that, you know where the door is because she's tired of the lip. They're about to become best

friends. Brought to vivacious life through the brilliant pen of enigmatic and ever elusive writer J. Matthew Snook, *Night Moves* is the captivating tale of a small town Missouri house wife stumbling her way through the sexiest mid-life crisis west of the Mississippi.

Silent Revenge Apr 20 2022 Paul was late getting to the Kingdome for the Seahawks - Raiders game. He entered the stadium as the Seahawks scored. To his left, at the far end of the field, he could see the Seahawks lining up to kick the extra point. His family was to the right and eight rows of seats below. Four rows below them were three yellow-clad security guards struggling with a souvenir vendor. Images of the struggle appeared on the giant overhead screen a micro-second before the explosion. The CIA used Paul Tate, a.k.a. David Butcher, to locate a renegade agent who was supplying information from inside the agency, to the Islamic fundamentalist known as "Noble Squadron." When the CIA finished with him, Paul had lost his family, his home, his job, and his reputation. They then tried to execute him.

Shutterbug Dec 04 2020 Brian Braun, a local Dallas photographer, believes he's hit Pulitzer pay-dirt when he receives an unusual call for an extraordinary photo shoot from a U.S. Senator. Afterward, however, Braun comes to realize his photographs have done more than record history. He's recorded one of the greatest hoaxes and politically devastating scandals that breaches beyond the boundaries of Watergate. The hoax is perpetrated on the American people by a private security firm that specializes in high profile political murder. Relying on his own streetwise wits, Braun has less than forty-eight hours to stay a step ahead of a highly motivated death squad and keep from being branded by history as the next Lee Harvey Oswald.

GHOSTS BEHIND THE SUN Jan 17 2022 "Ghost Behind The Sun", Tav Falco's sprawling study of Memphis, begins with the Civil War massacre at Fort Pillow, the Yellow Fever epidemic of 1878 and the grisly murders of the Harp Brothers. Falco traces these legends of Reconstruction-era Memphis to an equally brutal twentieth century underworld - Beale Street Kingpin Jim Canaan, Edward Crump's political machine, the Dixie Mafia, and others. Also included are revelatory dialogues concerning the city's many music legends, from rockably icons Elvis Presley, Jerry Lee Lewis and Charlie Feathers to more underground figures such as Jim Dickinson and country blues wailer Jessie Mae Hemphill. Intertwoven with these accounts is an autobiographical history of Falco's own time in Memphis, including his involvement with performance art ensemble Insect Trust, working with pop/rock maverick Alex Chilton, and the formation of his seminal rock and roll band, Panther Burns. Illustrated throughout.

Scrambled Hard-Boiled Mar 07 2021 It's Mayberry On Meth!Sex, drugs and double-knit polyester provide the key ingredients in this decidedly off-center take of the traditional detective novel. *Scrambled Hard-Boiled* is the story of a young man named Jay Dafeo coming into his own as private detective. Dafeo learns the in and outs of snooping into other people's lives and how to take advantage and profit from it. Philip Marlowe, he ain't.Full of dark humor, the novel is a tale of coming of age in the New South with its class and racial conflicts and the unfortunate habit of killing one another that people have always had in that part of the country. The traditional elements of the hard-boiled murder mystery are here: homicides, adultery, greed, crooked lawyers, mean cops and even meaner broads. Then, just to make things interesting, some regional spices like faith healing, homophobia, rednecks, county fairs and inter-species wrestling have been added to the recipe.

Baby Bumps Jan 05 2021 From the author of the award-winning blog *Snarky Mommy* comes a book that will make every woman who has ever been pregnant pee with laughter (not that that's hard). Wearing her highest heels and hottest pregnancy jeans, Amy Sprenger marches into her doctor's office, beverage in hand, ready to finally see whether her baby is a boy or a girl. Sure, sure, this appointment is supposed to be about checking the health of the baby, but everyone who's ever been there knows it's really about looking for what lays, or doesn't lay, between the legs. So when the doctor tells her she has an incompetent cervix, Amy becomes immediately offended on behalf of her reproductive organs. Is that just a politically correct way of saying her cervix sucks? Unfortunately, as she's soon to learn, it's a lot more than that. The only way to keep that baby from falling out on the sidewalk (probably in front of Starbucks) is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months. Four months that are carefully detailed in this "memoir." A memoir that, while basically true, has been embellished with Amy's signature brand of humor and hilarity. With more time off than a castoff contestant on *The Bachelor*, Amy takes pen to paper and settles in for the ride. But instead of sitting around eating bonbons, she's popping hypertension drugs to stave off preterm labor. And complications? Oh, she's got your complications. She's gut-rehabbing her house. Her mother moves in to care for her. Her husband takes a "mancation" while she's stuck in the hospital. And every time she has a contraction, she's convinced it's *The Big One*. Living by the adage that laughter is the best medicine, Amy fumbles her way through a series of sometimes serious and usually embarrassing situations. And just to be clear, using a bedpan qualifies as both serious and embarrassing. "Amy Sprenger's foray into factual fiction is a hilarious (and sometimes poignant) look at high-risk pregnancy from her view at the end of the bed. Sprenger offers a fresh and funny voice that readers will love!" -- New York Times bestselling author Jen Lancaster
