Cult, Culture, and Authority Jul 01 2022 Princess Lieu Hanh, often called the Mother of the Vietnamese people by her followers, is one of the most prominent goddesses in Vietnamese popular religion. First emerging some four centuries ago as a local sect appealing to women, the princess' cult has since transcended its geographical and gender boundaries and remains vibrant today. Who was this revered deity? Was she a virtuous woman or a prostitute? Why did people begin worshiping her and why have they continued? Cult, Culture, and Authority traces Lieu Hanh's cult from its ostensible appearance in the sixteenth century to its present-day prominence in North Vietnam and considers it from a broad range of perspectives, as religion and literature and in the context of politics and society. Over time, Lieu Hanh's personality and cult became the subject of numerous literary accounts, and these historical texts are a major source for this book. Author Olga Dror explores the authorship and historical context of each text considered, treating her subject in an interdisciplinary way. Her interest lies in how these accounts reflect the various political agendas of successive generations of intellectuals and officials. The same cult was called into service for a variety of ideological ends: feminism, nationalism, Buddhism, or Daoism.

ICISPE 2019 Jul 09 2020 Hosted by the Faculty of Social and Political Sciences, Universitas Diponegoro - Indonesia, International Conference on Indonesian Social and Political Enquiries (ICISPE) serves as a strategic venue for academicians and practitioners whose interest is Indonesian social and political studies to get interconnected with other academicians and other fields of study. It is also intended to be a venue for scholars from various backgrounds to connect and initiate collaborative and interdisciplinary studies. The papers presented at the ICISPE provide research findings and recommendations that are both directly and indirectly beneficial for public needs, especially policy makers and practitioners in Indonesia. The 4th ICISPE 2019 was held in the Semarang, Indonesia, bringing up a theme of "People, Nature, and Technology: Promoting Inclusive Environmental Governance in the Era of Digital Revolution" as a response to the current dynamics of social and political issues in this millennial era. This theme aims at looking more closely on how the relations between social and political aspects on development in this region. It is indeed an emerging situation and a robust area for research. Some compelling sub-themes were offered and participated by a great number of presenters and participants including, among others are Social Movement Communication Approach, Global Environmental Issues, Environmental Governance, Millennials and Internet, Green Economy also Culture and Environmental Development. They share their insights, study results, or literature studies on those topics in a very dynamic discussion.

Spanish Short Stories for Beginners Sep 22 2021 If you have ever wanted to improve your Spanish grammar and vocabulary, this book is for you. By reading 6 Spanish stories that revolve around common and daily activities, you will expand your vocabulary with words you will use frequently, while learning a more in-depth grammar by becoming familiar with these stories. Each story tackles a relatively common task - such as shopping for groceries or visiting a dog park - and by using these scenery, this book will give you the opportunity to see these words in action, making it easier for you to integrate the new words not only into your vocabulary but also into the conversation in a more transparent manner. If you have ever wanted a simple way to broaden your knowledge of Spanish, those stories will allow you to do it at your own pace. Each story has about 2,500 words, short enough to be read several times before you compare your work with the English translations at the end of each chapter. The way you work on this book, the time you spend on each chapter and the moment you choose to look at the English translations, ultimately, is entirely at your convenience. Everyone learns differently, and regardless of the best way to do it, you should always choose your own way, although this book offers some useful tips about where to start. Things you will learn in this book: How to decrypt unknown words in a sentence using contextual clues (words that you know). How to use English translations as a useful tool and not as a crutch that you can explicitly rely on to help you translating Spanish stories. Vocabulary related to current events such as: Trips to the shopping centre Visit to the grocery store Getting your hair done Getting ready for and going to work Going to a dog park Attending a dinner party How to use this book to help you to acquire your vocabulary and grammatical knowledge effectively. Even if you

are a beginner in the Spanish language, these simple stories can work for you. There are not many difficult words that cannot be figured out with context clues, and if you find yourself struggling, you can always flip to the end of the chapter for the English translation to assist you. As with everything we start to learn, practice makes it perfect. You must be willing to do the work that is required to make the most of this book and the time you spend studying it. If the things mentioned here interest you or you feel that it could be beneficial for you, then do not keep waiting. The sooner you jump in, the sooner you will see results. Would you like to know more? Download now to learn the Spanish language. Scroll to the top and click the BUY NOW BUTTON !!!

Learn Dutch with Beginner Stories Jul 21 2021 Do you want to learn Dutch with original Dutch stories? It's easy with Dutch and interlinear English. 150+ pages with every word translated so you can keep on reading. This book contains classic Dutch folktales. We have added an interlinear translation to the Dutch text. This means that the meaning of every Dutch word is immediately accessible, which in turn will make it much easier for you to expand your Dutch vocabulary fast. Read and re-read the text to memorize up to 2300 new words. Because the meaning of every Dutch word is below it, there's no look-up time and learning goes fast. The HypLern method entails that you re-read the text until you know the high frequency words just by reading, and then mark and learn the low frequency words in your reader or practice them with our brilliant App.

I'd Die for You Jul 29 2019 ****THE SUNDAY TIMES TOP TEN BESTSELLER**** I'd Die for You is a collection of the last remaining unpublished short stories by F. Scott Fitzgerald, iconic author of The Great Gatsby and Tender Is the Night. All eighteen short fictions collected here were lost in one sense or another: physically lost, coming to light only recently; lost in the turbulence of Fitzgerald's later life; lost to readers because his editors sometimes did not understand what he was trying to write. These fascinating stories offer a new insight into the arc of Fitzgerald's career, and demonstrate his stylistic agility and imaginative power as a writer at the forefront of Modern literature. "There are ostensibly bleak currents running through these stories ... but what really makes an impression is the humour ... In the period he was writing these stories he talked of his desire to open up a "new vein" in his writing. "He was happy when he died," [the editor Anne Margaret] Daniel notes, and working hard - a somewhat shock revelation. It's a tantalising thought' Independent

English Grammar For Dummies Dec 02 2019 A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar - and you certainly don't have to diagram sentences - in order to speak and write correct English. So rest assured - English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs - oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

German Short Stories for Beginners: 20 Captivating Short Stories to Learn German & Grow Your Vocabulary the Fun Way! Sep 30 2019 Is learning German your next big goal - but finding suitable reading material is difficult? Do you find traditional textbooks boring, and need an entertaining alternative that can give you the tools to become a German speaker? German students regularly have to go through the toughest experiences to find proper reading material that isn't too tough or too tedious for them - as language teachers, we know this. This is why we've created another German Short Stories for Beginners, to ensure that young and old students at the entry level of learning can have yet another chance to polish their German tongue and survive to tell the tale! Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on German, but that you will understand and be able to pick it apart piece by piece in your quest for learning. How German Short Stories for Beginners Vol.2 works: - Each story will contain important lessons (Nouns, Pronouns, Future Tense, conversational terms, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. - The summaries follow: a synopsis in German and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in German, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a fluent German speaker, and we'll certainly help you on the way! So, look no further! Pick up your copy of German Short Stories for Beginners Vol.2 and take your German to the next level right now!

Learn Russian with Fairy Tales Jan 27 2022 Parallel text in Russian and English for reading practice by beginning students of Russian. In some cases, the English translations include both a literal translation and an idiomatic translation.

Learn Spanish with Starter Stories Oct 31 2019 Best way to learn Spanish just by reading Do you want to learn Spanish with original stories in Spanish? Read in Spanish without looking up words with our interlinear material and expand your vocabulary fast and easy! The HypLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast. This book contains fun starter stories from Spanish folklore in Spanish. We have added an interlinear translation to the Spanish text. This means that the meaning of every Spanish word is immediately accessible, which in turn will make it much easier for you to expand your Spanish vocabulary fast. How to learn Spanish Use the following method to attain new Spanish vocabulary fast and easy. Read the stories and re-read them until you know almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text, for example. Because of the literal and idiomatic interlinear text this is the fastest method to learn to read Spanish. Also, contact us on shop.hypLern.com for non-translated pdf versions of this book with which you can practice reading Spanish without the interlinear translation. Don't forget to check out our other HypLern interlinear eBooks and paperbacks in French, German, Russian, Italian or other languages on Amazon as well!
