Rottweilers For Dummies Feb 26 2020 Discover how to raise, train, and enjoy your Rottweiler with this fantastic resource Known for its great strength, endurance, and protectiveness, the Rottweiler can be a good-natured, playful pet. It can also be a highly challenging breed. In the right hands, a Rottweiler can be the best security system in town, and at the same time, an affectionate friend to the whole family, always ready for fun and games. The well-bred, well-trained Rottweiler has the courage of a lion and is happy to obey. In the wrong hands, a Rottweiler just as easily can become an unruly beast, a menace to all that come near. Is the Rottweiler the right breed for you and your family? *Rottweilers For Dummies* provides the answer to this and all your questions about getting, caring for and living with this big dog. Long-time Rottweiler breeder and trainer Richard G. Beauchamp gets you up and running with what you need to know to: Choose the right Rottweiler for you Socialize your new puppy Educate yourself and your dog Maintain good health, proper exercise and diet Handle behavioral problems Participate in dog competitions In friendly, down-to-earth language, Rick provides insights into the Rottweiler temperament and loads of sensible, easy-to-follow advice on everything a Rottweiler owner should know – along with fun facts and tips on how to have a great time with your Rottie. Discover how to: Decide on whether a male or female is right for you Find and choose your new friend and bring him or her home Understand how to communicate with your Rottweiler Train your Rottweiler Finding a good trainer and attend classes Deal with emotional conflicts Feed and exercise your Rottweiler Recognize, prevent, and treat common health problems Have loyal friend for life The indispensable guide for you and your Rottweiler, *Rottweilers For Dummies* is the only book you'll need to help you have the best possible experience with this admirable and loveable breed.

Principles of Group Accounting under IFRS Jun 19 2019 A professional perspective to implementing IFRS 10, 11, and 12 The new International Financial Reporting Standards (IFRS) 10, 11, and 12 are changing group accounting for many businesses. As business becomes increasingly global, more and more firms will need to transition using the codes and techniques described in *Principles of Group Accounting under IFRS*. This book is a practical guide and reference to the standards related to consolidated financial statements, joint arrangements, and disclosure of interests. Fully illustrated with a step-by-step case study, *Principles of Group Accounting under IFRS* is equally valuable as an introductory text and as a reference for addressing specific issues that may arise in the process of consolidating group accounts. The new international standards will bring about significant changes in group reporting, and it is essential for accountants, auditors, and business leaders to understand their implications. Author Andreas Krimpmann is an internationally recognized authority on the transition from GAAP to IFRS, and this new text comes packaged with GAAP/IFRS comparison resources that will help make the changes clear. Other bonus resources include an Excel-based consolidation tool, checklists, and a companion website with the latest information. Learn about: Definitions, requirements, processes, and transition techniques for IFRS 10, 11, and 12 covering group level accounting Practical implementation strategies demonstrated through a clear case study of a midsize group Key concepts related to consolidated financial statements, joint ventures, management consolidation, and disclosure of interests Comparisons between GAAP and IFRS to clarify the required changes for international firms Whatever stage of the consolidation process you are in, you will appreciate the professional perspective in *Principles of Group Accounting under IFRS*.

Group and Individual Work with Older People Jul 21 2019 "Being active is fundamental to a person's sense of physical and mental wellbeing, and the need to engage in purposeful and meaningful activity does not diminish with age. However, common effects of ageing, such as reduced vision and hearing, arthritis, dementia, and in some cases social isolation, can affect an older person's ability to participate in therapeutic and recreational activities. Introducing the concept of PIE (Planning, Implementation and Evaluation), this practical resource will enable professionals working with older people to initiate and run successful activity-based programmes with their clients, either individually or in groups. The authors guide the reader through the processes of group and individual work, and provide step-by-step instructions for a range of activities, including arts and crafts, music, drama, movement, relaxation, reminiscence, and day-to-day tasks such as taking care of personal hygiene and preparing food and drinks. The book also describes the importance of assessing and evaluating activity-based work, with examples of completed evaluation and assessment forms. Useful case studies and self-reflective activities for the facilitator are included throughout. This book will be an invaluable for occupational therapists, creative arts therapists, health and social care practitioners and all other professionals working with older people."--Publisher's website.

Technical Analysis and Chart Interpretations Dec 06 2020 Ed Ponsi's straightforward guide to understanding technical analysis *Technical Analysis and Chart Interpretations* delivers simple explanations and easy-to-understand techniques that demystify the technical analysis process. In his usual straightforward style, bestselling author Ed Ponsi guides you through the

twists and turns to show you what really matters when it comes to making money. Whether you trade stocks, currencies, or commodities, you'll develop invaluable skills as you master difficult concepts and the tools of the trade. Technical analysis translates to any form of trading, and this book delivers clear, jargon-free guidance toward interpreting the various charts you'll see in the field. Technical analysis can be confusing. Volatility, cycles, Elliot waves, Fibonacci, trends—it's easy to get lost, and most of the available literature is incomprehensible to all but the experts. This book is different—it's technical analysis for the rest of us. You'll see through the language to understand the underlying concepts, and how to apply them correctly. Learn what true technical analysis entails Discover the tools that simplify accurate analysis Master the tactics and strategies used by the pros Develop a valuable trading skill that transcends markets Simply recognizing the vocabulary isn't nearly enough, and a passing acquaintance with the topic is guaranteed to do more harm than good. When technical analysis methods are used incorrectly, they are ineffective at best, and actively destructive to your bottom line at worst. Technical Analysis and Chart Interpretations cuts through the confusion to give you a firm understanding and the skills to apply it correctly.

Dog Showing for Beginners Jan 19 2022 An astute observer once described the scene at a typical dog show as "organized confusion." While the action may seem more confusion than organization, the reverse is actually true. It just takes a little while to learn this. Dog Showing for Beginners is the ideal means for the budding exhibitor to grasp the essentials and understand what is unfolding before her or him in this unique recreation. Every chapter has something important to tell the reader. Opening with a candid overview of what to expect from being a part of the sport, Dog Showing for Beginners goes on to help find that first show dog and explain how to get started in showing and hands-on learning. Here are simple explanations of how dog shows are structured and how dogs become champions. Excellent guidance on getting the equipment needed and entering shows is included along with how to approach your first show. This book also helps the reader find a place in dog showing and how to deal with the up and the down sides of the game. From beginning to end, Dog Showing for Beginners is touched with an insider's sometimes irreverent whimsy; as the author points out, if you're going to do dog shows, a sense of humor is a definite plus! A Howell Dog Book of Distinction
