[Encyclopedia of American Folklife](#) Jan 27 2022 American folklife is steeped in world cultures, or invented as new culture, always evolving, yet often practiced as it was created many years or even centuries ago. This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America - from barn raisings to the Internet, tattoos, and Zydeco - through expressions that include ritual, custom, crafts, architecture, food, clothing, and art. Featuring more than 350 A-Z entries, "Encyclopedia of American Folklife" is wide-ranging and inclusive. Entries cover major cities and urban centers; new and established immigrant groups as well as native Americans; American territories, such as Guam and Samoa; major issues, such as education and intellectual property; and expressions of material culture, such as homes, dress, food, and crafts. This encyclopedia covers notable folklife areas as well as general regional categories. It addresses religious groups (reflecting diversity within groups such as the Amish and the Jews), age groups (both old age and youth gangs), and contemporary folk groups (skateboarders and psychobillies) - placing all of them in the vivid tapestry of folklife in America. In addition, this resource offers useful insights on folklife concepts through entries such as "community and group" and "tradition and culture." The set also features complete indexes in each volume, as well as a bibliography for further research.

[Cajun Country](#) Nov 05 2022 This insightful book is by far the broadest examination of traditional Cajun culture ever assembled. It goes beyond the stereotypes and surface treatment given to Cajuns by the popular media and examines the great variety of cultural elements alive in Cajun culture today--cooking, music, storytelling, architecture, arts and crafts, and festivals, as well as traditional occupations such as fishing, hunting, and trapping. It not only gives fascinating descriptions of elements in Cajun life that have been woven into the fabric of American history and folklore; it also explains how they came to be. Cajun Country reveals the historical background of the Cajun people, who migrated to Louisiana as exiles from their Canadian homeland, and it shows their folklife as a living and ongoing legacy that enriches America.

[Cooking in Cajun Country](#) Apr 29 2022 Travel through southern Louisiana and you'll quickly learn that Cajun cooking is more than a heavy dose of black pepper or a splash of tangy hot sauce. With more than 100 authentic Cajun recipes from Louisiana's Acadian parishes, now home cooks can create lip-smacking recipes such as Andouille-Stuffed Pork Loin, Butter Beans with Sausage, Grand Chenier Crawfish Jambalaya, Sweet Potato en Brochette, and Fried-and-True Pecan Pie. You will also learn a little about the history, people, and culture from which the Cajun cuisine originated. Breaux shows how a true Cajun cookstraditional meals as well as the modern methods of preparing delicious home-cooked meals.

[Swamp Pop](#) Apr 17 2021 Music of Louisiana was at the heart of rock-and-roll in the 1950s. Most fans know that Jerry Lee Lewis, one of the icons, sprang out of Ferriday, Louisiana, in the middle of delta country and that along with Carl Perkins and Elvis Presley he was one of the very first of these "white boys playing black music." The genre was profoundly influenced by New Orleans, a launch pad for major careers, such as Little Richard's and Fats Domino's. The untold "rest of the story" is the story of swamp pop, a form of Louisiana music more recognized by its practitioners and their hits than by a definition. What is it? What true rock enthusiasts don't know some of its most important artists? Dale and Grace ("I'm leaving It Up to You"), Phil Phillips ("Sea of Love"), Joe Barry ("I'm a Fool to Care"), Cooke and the Cupcakes ("Mathilda"), Jimmy Clanton ("Just a Dream), Johnny Preston ("Runnin' Bear"), Rod Bernard ("This Should Go on Forever"), and Bobby Charles ("Later, Alligator")? There were many others just as important within the region. Drawing on more than fifty interviews with swamp pop musicians in South Louisiana and East Texas, [Swamp Pop: Cajun and Creole Rhythm and Blues](#) finds the roots of this often overlooked, sometimes derided sister genre of the wildly popular Cajun and zydeco music. In this first book to be devoted entirely to swamp pop, Shane K. Bernard uncovers the history of this hybrid form invented in the 1950s by teenage Cajuns and black Creoles. They put aside the fiddle and accordion of their parents' traditional French music to learn the electric guitar and bass, saxophone, upright piano, and modern drumming trap sets of big-city rhythm-and-blues. Their new sound interwove country-and-western and rhythm-and-blues with the exciting elements of their rural Cajun and Creole heritage. In the 1950s and 1960s American juke boxes and music charts were studded with swamp pop favorites.

[Cajun Breakdown](#) Oct 04 2022 In 1946, Harry Choates, a Cajun fiddle virtuoso, changed the course of American musical history when his recording of the so-called Cajun national anthem "Jole Blon" reached number four on the national Billboard charts. Cajun music became part of the American consciousness for the first time thanks to the unprecedented success of this issue, as the French tune crossed cultural, ethnic, racial, and socio-economic boundaries. Country music stars Moon Mullican, Roy Acuff, Bob Wills, and Hank Snow rushed into the studio to record their own interpretations of the waltz-followed years later by Waylon Jennings and Bruce Springsteen. The cross-cultural musical legacy of this plaintive waltz also paved the way for Hank Williams Sr.'s Cajun-influenced hit "Jamabalaya." Choates' "Jole Blon" represents the culmination of a centuries-old dialogue between the Cajun community and the rest of America. Joining into this dialogue is the most thoroughly researched and broadly conceived history of Cajun music yet published, [Cajun Breakdown](#). Furthermore, the book examines the social and cultural roots of Cajun music's development through 1950 by raising broad questions about the ethnic experience in America and nature of

indigenous American music. Since its inception, the Cajun community constantly refashioned influences from the American musical landscape despite the pressures of marginalization, denigration, and poverty. European and North American French songs, minstrel tunes, blues, jazz, hillbilly, Tin Pan Alley melodies, and western swing all became part of the Cajun musical equation. The idiom's synthetic nature suggests an extensive and intensive dialogue with popular culture, extinguishing the myth that Cajuns were an isolated folk group astray in the American South. Ryan André Brasseaux's work constitutes a bold and innovative exploration of a forgotten chapter in America's musical odyssey.

Cajun Women and Mardi Gras Jun 07 2020 How Cajun women have creatively refashioned the tradition of rural Mardi Gras runs  
Southern Music/American Music Mar 17 2021 The South -- an inspiration for songwriters, a source of styles, and the birthplace of many of the nation's greatest musicians -- plays a defining role in American musical history. It is impossible to think of American music of the past century without such southern-derived forms as ragtime, jazz, blues, country, bluegrass, gospel, rhythm and blues, Cajun, zydeco, Tejano, rock'n'roll, and even rap. Musicians and listeners around the world have made these vibrant styles their own. *Southern Music/American Music* is the first book to investigate the facets of American music from the South and the many popular forms that emerged from it. In this substantially revised and updated edition, Bill C. Malone and David Stricklin bring this classic work into the twenty-first century, including new material on recent phenomena such as the huge success of the soundtrack to *O Brother, Where Art Thou?* and the renewed popularity of Southern music, as well as important new artists Lucinda Williams, Alejandro Escovedo, and the Dixie Chicks, among others. Extensive bibliographic notes and a new suggested listening guide complete this essential study.

Early American Life Dec 02 2019

Cajun Literature and Cajun Collective Memory Feb 13 2021 How does Cajun literature, emerging in the 1980s, represent the dynamic processes of remembering in Cajun culture? Known for its hybrid constitution and deeply ingrained oral traditions, Cajun culture provides an ideal testing ground for investigating the collective memory of a group. In particular, francophone and anglophone Cajun texts by such writers as Jean Arceneaux, Tim Gautreaux, Jeanne Castille, Zachary Richard, Ron Thibodeaux, Darrell Bourque, and Kirby Jambon reveal not only a shift from an oral to a written tradition. They also show hybrid perspectives on the Cajun collective memory. Based on recurring references to place, the texts also reflect on the (Acadian) past and reveal the innate ability of the Cajuns to adapt through repeated intertextual references. The Cajun collective memory is thus defined by a transnational outlook, a transversality cutting across various ethnic heritages to establish and legitimize a collective identity both amid the linguistic and cultural diversity in Louisiana, and in the face of American mainstream culture. *Cajun Literature and Cajun Collective Memory* represents the first analysis of the mnemonic strategies Cajun writers use to explore and sustain the Cajun identity and collective memory.

Ethnic Groups of the Americas Apr 05 2020 Intended to help students explore ethnic identity--one of the most important issues of the 21st century--this concise, one-stop reference presents rigorously researched content on the national groups and ethnicities of North America, Central America, South America, and the Caribbean. Combining up-to-date information with extensive historical and cultural background, the encyclopedia covers approximately 150 groups arranged alphabetically. Each engaging entry offers a short introduction detailing names, population estimates, language, and religion. This is followed by a history of the group through the turn of the 19th century, with background on societal organization and culture and expanded information on language and religious beliefs. The last section of each entry discusses the group in the 19th, 20th, and 21st centuries, including information on its present situation. Readers will also learn about demographic trends and major population centers, parallels with other groups, typical ways of life, and relations with neighbors. Major events and notable challenges are documented, as are key figures who played a significant political or cultural role in the group's history. Each entry also provides a list for further reading and research.

Very New Orleans Feb 02 2020 Detailed sketches and watercolor paintings capture the charm of one of America's most distinctive cities, revealing New Orleans' unique blend of architectural wonders, rich Cajun and Creole cultures, food, music, and history.

The Roots of Texas Music Jul 21 2021 This volume celebrates the diverse sources of the music of the Lone Star State by gathering chapters by specialists on each of them--specialist whose views may not have dominated the perception of Texas music to date. The result is an original look at the musical traditions of Texas Germans and Czechs, black Creoles and Chicanos, and blues and gospel singers. The diverse genres included in the anthology also provide an introduction to the classes, cultures, races and ethnic groups of Texas.

Dixie Debates Sep 30 2019 The contemporary American South is a region of economic expansion, political sophistication, and, particularly, cultural ferment. Its literature is well-known and celebrated. But what of the popular cultural forms of expression that have done so much to reflect the curious tensions between the traditional South--white-dominated, rural, religious--and contemporary multicultural forms and discourses? This collection offers a wealth of exciting new perspectives on cultural studies in general and of the particular forms of popular Southern culture--from rock and roll to Cajun music to the impact on the South of tourism and the questions of genre and race in contemporary film-making.

Cajun Country May 19 2021 This insightful book is by far the broadest examination of traditional Cajun culture ever assembled. It goes beyond the stereotypes and surface treatment given to Cajuns by the popular media and examines the great variety of cultural elements alive in Cajun culture today—cooking, music, storytelling, architecture, arts and crafts, and festivals, as well as traditional occupations such as fishing, hunting, and trapping. It not only gives fascinating descriptions of elements in Cajun life that have been woven into the fabric of American history and folklore; it also explains how they came to be. *Cajun Country* reveals the historical background of the Cajun people, who migrated to Louisiana as exiles from their Canadian homeland, and it shows their folklife as a living and ongoing legacy that enriches America.

Acadiana Aug 22 2021 "Acadiana" summons up visions of a legendary and exotic world of moss-draped cypress, cocoa-colored bayous, subtropical wildlife, and spicy indigenous cuisine. The ancestral home of Cajuns and Creoles, this twenty-two-parish area of south Louisiana encompasses a broad range of people, places, and events. In their historical and pictorial tour of the region, author Carl A. Brasseaux and photographer Philip Gould explore in depth this fascinating and complex world. As passionate documentarians of all things Cajun and Creole, Brasseaux and Gould delve into the topography, culture, and economy of Acadiana. In two hundred color photographs of architecture, landscapes, wildlife, and artifacts, Gould portrays the rich history still visible in the area, while Brasseaux's engagingly written narrative covers the eighteenth- and nineteenth-century story of settlement and development in the region. Brasseaux brings the story up to date, recounting devastating hurricanes and coastal degradation. From living-history attractions such as Vermilionville, the Acadian Village, and Longfellow-Evangeline State Park to music venues, festivals, and crawfish boils, Acadiana depicts a resilient and vibrant way of life and presents a vivid portrait of a culture that continues to captivate, charm, and endure. For all those who want to explore these people and this place, Brasseaux and Gould have provided an insightful written and visual history.

The Encyclopedia of Country Music Dec 14 2020 Immediately upon publication in 1998, the *Encyclopedia of Country Music* became a much-loved reference source, prized for the wealth of information it contained on that most American of musical genres. Countless fans have used it as the source for answers to questions about everything from country's first commercially successful recording, to the genre's pioneering music videos, to what conjunto music is. This thoroughly revised new edition includes more than 1,200 A-Z entries covering nine decades of history and artistry, from the Carter Family recordings of the 1920s to the reign of Taylor Swift in the first decade of the twenty-first century. Compiled by a team of experts at the Country Music Hall of Fame and Museum, the encyclopedia has been brought completely up-to-date, with new entries on the artists who have profoundly influenced country music in recent years, such as the Dixie Chicks and Keith Urban. The new edition also explores the latest and most critical trends within the industry, shedding light on such topics as the digital revolution, the shifting politics of country music, and the impact of American Idol (reflected in the stardom of Carrie Underwood). Other essays cover the literature of country music, the importance of Nashville as a music center, and the colorful outfits that have long been a staple of the genre. The volume features hundreds of images, including a photo essay of album covers; a foreword by country music superstar Vince Gill (the winner of twenty Grammy Awards); and twelve fascinating appendices, ranging from lists of awards to the best-selling country albums of all time. Winner of the Best Reference Award from the Popular Culture Association "Any serious country music fan will treasure this authoritative book." --*The Seattle Times* "A long-awaited, major accomplishment, which educators, historians and students, broadcasters and music writers, artists and fans alike, will welcome and enjoy." --*The Nashville Musician* "Should prove a valuable resource to those who work in the country music business. But it's also an entertaining read for the music's true fans." --*Houston Chronicle* "This big, handsome volume spans the history of country music, listing not only artists and groups but also important individuals and institutions." --*San Francisco Examiner* "Promises to be the definitive historical and biographical work on the past eight decades of country music. Well written and heavily illustrated an unparalleled work, worth its price and highly recommended." --*Library Journal*

*American Regional Cuisine* Dec 26 2021 *American Regional Cuisine, Third Edition* combines history, anthropology, and cuisine into a clear and comprehensive resource for the American Regional course. Its menu-driven approach makes this book unique in the marketplace, providing unparalleled value to culinary-arts students.

*American Motorcyclist* Aug 29 2019 *American Motorcyclist* magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

*Louisiana Rambles* Sep 10 2020 "McNulty delivers an inimitable take on Cajun and Creole Louisiana--the siren call of zydeco dancehalls pulsing in the country darkness; of crawfish "boiling points" and traditional country smokehouses; of Cajun jam sessions, where even wallflowers are compelled to dance; of equine gambits in the cradle of jockeys; and of fishing trips where anyone can land impressive catches. In south Louisiana, distilled European heritage, the African American experience, and modern southern exuberance mix with tumultuous history and fantastically fecund natural environments. The territories McNulty opens to the reader are arguably the nation's most exotic and culturally distinct destinations"--Page 4 of cover.

*French Louisiana Music and Its Patrons* Nov 24 2021 French Louisiana music emerged from the bayous and prairies of Southwest Louisiana in the late nineteenth and early twentieth centuries. Pioneered by impoverished Acadian and Afro-Caribbean settlers, the sound is marked by a high-pitched fiddle playing loud and fast above the bellow of a diatonic accordion. With lyrics about disaster and heartache sung cheerfully in a French dialect, the effect is dissonant and haunting. French Louisiana music was largely ignored in mainstream music culture, except by a handful of collectors, scholars, and commercial promoters who sought to popularize it. From the first recordings in the 1920s to the transformation of the genre by the 1970s, the spread of this regional sound was driven by local, national, and international elites who saw the music's traditions and performers in the context of larger social, political, and cultural developments, including the folk revival and the civil rights and ethnic revival movements. Patricia Peknik illuminates how the music's history and meaning were interpreted by a variety of actors who brought the genre onto a national and global stage, revealing the many interests at work in the popularization of a regional music.
