Original.

*Yours, Mine & Ours* Nov 28 2019 "If you are a member of a blended family, this is the handbook to enable your estate plan to assure that your financial wealth will lead to your family's future well-being. Read it, follow its wisdom and practices, and smile." -James (Jay) E. Hughes Jr, Author of Complete Family Wealth and Family: The Compact Among Generations As parents, we spend our lives caring and providing for our children. However, many of us lack the foresight to create a plan that will ensure our children are supported even after we are gone. Parents neglect to handle their estates and affairs during their lifetime and leave their grieving children drowning in paperwork and tough decisions. It is even more demanding and grueling for stepchildren and members of blending families to sort through these estates. As a member of a blended family himself, tax attorney Paul Hood has pooled his personal and professional knowledge to create this comprehensive guide to estate planning for blended families. In *Yours, Mine & Ours*, Hood offers real-world advice while cover crucial topics such as: Property Ownership Documents for Planning Important Payers in Planning Challenges One will Face Words of Wisdom When nearly 70% of estate plans yield unfavorable results for the family, the need for a meticulous estate plan cannot be overstated. Hood's guide to estate planning will allow individuals to rest assured that their families are provided for thoroughly.

*Grandparenting the Blended Family* Jan 29 2020 Ever wonder what other grandparents do to succeed with their grandchildren? Grandparenting the Blended Family explores over 30 different grandparents and how they interact with their grandchildren—natural, step, and adopted.

[Successful Blended Families](#) Jun 15 2021 According to experts, being involved in a prior marriage decreases the success rate of subsequent marriages. The aim of this book is to reduce the failure rate of remarriages and to promote the success of blended families. *Successful Blended Families'* addresses the common challenges of blended family life and provides practical tools for dealing with them effectively. Attention is given to children in these families, step-parenting, preparation for remarriage as well as the building blocks for a successful blended family. If you are in a blended family or planning to establish such a family, this book is for you. If you are a professional who works with blended families or you simply want to gain more insight and understanding of blended family life, this book is worth reading.

[Blending Families Successfully](#) Apr 13 2021 According to the National Center for Health Statistics, less than half of the people who get married in the United States remain with their first spouse, and less than 50 percent of children grow up with both biological parents. In short, we live in a society of blended families. Everyone who survives a divorce and enters a new family is vulnerable. George Glass, MD, a board-certified psychiatrist, has designed a book to help parents understand the challenges of beginning new lives with blended families, and to help their children make the necessary adjustments. He explains how to approach unavoidable dilemmas when they occur and offers invaluable lessons about the link between divorce and issues of self-esteem, depression, substance abuse, and relationship failures that often result from the breakup of a family. Gathered from his years in practice and his own personal experience as a member of a blended family, Glass provides practical solutions to everyday problems. Blending a family, Glass explains, is a process, which requires patience. It can take a long time to develop trust, acceptance, and a willingness to overlook transgressions that in the beginning can cause tension. Each chapter offers specific advice to help blended family members improve their communication skills and ease the transitions from separate households into a larger, combined community. Taken together with a steady dose of "Dos and Don'ts," this book provides an inspiring toolkit for families in need.

**EBOOK: Understanding Stepfamilies: A practical guide for professionals working with blended families** Dec 30 2019 Despite the growing number of stepfamilies, and the recognition that they experience unique difficulties related to their complex family dynamics, there is very little support available to them. In this practical, evidence-based guide Lisa Doodson offers a valuable resource for professionals working with stepfamilies, giving insight into their unique nature and guidance on how to provide more effective support and advice. In addition to the wealth of research and knowledge that the book shares, there are a range of case studies which illustrate issues that the different types of stepfamilies frequently face. Each chapter also contains practical tools and exercises that professionals can use with their clients to help facilitate change in the family unit, as well as interventions including mediation and group workshops, and more traditional counselling techniques. Understanding Stepfamilies is a must have resource for counsellors and therapists, social workers, local authorities, charities and teaching professionals working with stepfamilies.

**Our Blended Family** Apr 01 2020 Confronting the challenges, complexities and uniqueness of the blended family, Carletta uses the personal step-family experiences of the Youngs family to demonstrate ten valuable lessons to strengthen marriages. Unlike any other book on the shelf concerning blended families, Carletta provides readers an up close, personal, first-hand account of the Youngs' marriage and the inspired family lessons that took her marriage from the brink of divorce to an extraordinary love story. Learn how to care for and heal the lives of every family member to create strong family values and traditions that replaces the pain and confusion often caused by divorce. Lessons offer creative ways to co-parent, overcome the two-household challenge and manage conflict. Readers are encouraged as well as inspired to create healthy family environments and loving couple relationships. Plus, activities at the end of each chapter reiterate lessons while offering ways to make the concepts more personal. *Our Blended Family, God Revealed* Lessons for Marital Success can change your life, marriage and family for the better if you read it with an open heart and mind. Allow God to reveal his will for your marriage by the work and ministry of the Youngs.

**Raising Other People's Children** Aug 25 2019 Raising Other People's Children helps you navigate the complicated world of foster and step-parenting with better awareness and greater empathy, providing real-life solutions for forging strong relationships in extraordinary circumstances. Drawing on Debbie Ausburn's decades of experience with every facet of the foster care system, Raising Other People's Children provides expert guidance viewed through the lens of real human interactions. The responsibility and complexity involved in raising someone else's child can seem overwhelming. Regardless of whether you're a stepparent, foster parent or adoptive parent, it is on you to take on the challenge of caring for them, helping them to move forward while also meeting their unique emotional needs.

*The Stepfamily Handbook* Sep 26 2019

*The Adventures of George and His Blended Family* Oct 08 2020 The Adventures of George and His Blended Family is a heart-warming story about overcoming our fears in life. It's a story of acceptance, love, friendship, and finding a forever home.

[Families And How To Survive Them](#) Jul 17 2021 What makes a family happy? Why do some marriages 'succeed' and others end in divorce? How can we free ourselves from the legacy of past mistakes and bring about positive change? Love, sex and marriage and parenthood, depression and sadness, independence and experience are just a few of the many issues explored in conversation by family therapist Robin Skyner and his former patient and comedian, John Cleese. Guiding us through the daily issues that confront us all, FAMILIES AND HOW TO SURVIVE THEM offers vital advice in helping each of us to maintain a happy, healthy family life. Looking candidly at everything from our relationships with our parents to why and how we choose our partners, no emotional stone is left unturned: jealousy, rage, fear, envy, love, obsession, hope and despair - all are featured-with practical advice on how to turn round a negative situation and bring about change for the better.

**Understanding Stepfamilies** Sep 06 2020 Practical guide describing up-to-date strategies to help both professionals and trainees work more effectively with stepfamilies

[Surviving and Thriving in Stepfamily Relationships](#) Jul 29 2022 *Surviving and Thriving in Stepfamily Relationships* draws on current research, a wide variety of clinical modalities, and thirty years of clinical work with stepfamily members to describe the special challenges stepfamilies face. The book presents the concept of "stepfamily architecture" and the five challenges it creates, and delineates three different levels of strategies—psychoeducation, building interpersonal skills, and intrapsychic work—for meeting those challenges in dozens of different settings. The model is designed to be useful both to stepfamily members themselves and to a wide variety of practitioners, from a highly trained clinician who needs to know how and when to work on all three levels, to a school counselor or clergy person who may work on the first two levels but refer out for level three. It will also be useful to educators, judges, mediators, lawyers and medical personnel who will practice on the first level, but need to understand the other two to guide their work.

*Our Happy Divorce* Jun 27 2022 "From weeknight dinners and homework sessions with their son to Christmas card photos and vacations, Nikki DeBartolo and Benjamin Heldfond have created a tight-knit, enviable

family. They work and play well together, from the smallest daily tasks to the biggest life events, and it only took a divorce to get them there. Though their marriage has been over for nearly a decade, they still share a happy life with each other and their son Asher, along with their new amazing spouses and children. Ben and Nikki had hoped their wedding would start their happily ever after, but seven years, one child, and countless financial and familial entanglements later, their I do-s had turned into We can't-s. Armed with their fierce love for their son and a desire to give him the best, they realized they needed to find an alternative to the seemingly inevitable toxic divorce that loomed over their lives.

**Building Love Together in Blended Families** Aug 30 2022 Create a Loving and Safe Environment for Your Blended Family Blended families face unique challenges, and sadly, good intentions aren't always enough. With so many complex relationships involved, all the normal rules for family life change, even how you apply something as simple as the five love languages. That's why Gary Chapman, the bestselling author of *The 5 Love Languages* and national expert on stepfamilies, Ron Deal, join together in this book to teach you how the five love languages can help your blended family. They'll teach you: About the unique dynamics of stepfamilies How to overcome fear and trust issues in marriage How to develop healthy parenting and step-parenting practices How the love languages should—and should not—be applied You're going to face many challenges, but with the right strategies and smart work, your family can be stronger and healthier together.

You will learn some tips on how to bond with your stepchildren, how you can deal with differences, how to strengthen your family as a whole, and how you can keep your relationship with your spouse happy so that the children will likewise feel safe and happy.

**Blended Family Advice** Sep 30 2022 Blended Family Advice is step-by-step guide to help blended and stepfamilies navigate the rough areas in their marriage and family. The book focuses on three main areas: marriage, kids, and the outside world. Learn how to communicate with your ex-spouse successfully, create a sense of unity in your newly blended family, how to treat stepparents and stepsiblings, and how to create house rules and expectations in your new blended household. Shirley Cress Dudley uses her skills as a licensed professional counselor, and as a stepmom to help blended and step families learn how to become strong and successful. Blended Family Advice contains the keys to a successful blended family along with several bonus reports: a financial planner, creating successful blended family holidays, house hunting for the blended family, and a guide for grandparents. Blended families and stepfamilies will find this book to be a comprehensive resource and one that every stepfamily and blended family will need in their home. Visit The Blended and Step Family Resource Center <http://www.TheBlendedandStepFamilyResourceCenter.com> and <http://www.BlendedFamilyAdvice.com> for more information. Shirley Cress Dudley, MA LPC Shirley@BlendedFamilyAdvice.com

**Stepfamilies** May 15 2021 Based on a landmark longitudinal study, the nation's leading expert on stepfamilies reveals his breakthrough findings and offers the first detailed guide to easing the conflicts of stepfamily life and healing the scars of divorce. There are more than twenty million stepfamilies in America. For most of them, the simple, daily issues that challenge every family are even more anxiety-provoking. After conducting a comprehensive nine-year-long study funded by the National Institutes of Health, Dr. James H. Bray has written an invaluable book that explains why over half of all stepfamilies fail and reveals the strategies that help the others succeed. A stepfamily is assaulted on all sides by difficult and often divisive questions. How much control should a stepparent have over a stepchild? How much authority should a nonresidential parent exert over a child? How should a difficult former spouse be handled? How does an "ours" baby change the emotional dynamic in a stepfamily? Why is there a lack of "honeymoon effect" during the first years of stepfamily life? The purpose of Stepfamilies is to answer all the important questions of stepfamily life—to fill in the knowledge gaps that undermine so many stepfamilies today and, crucially, to learn the effect of stepfamily life on children. Based on one of the largest and longest studies of stepfamily life ever conducted, Stepfamilies interweaves the stories of real families to illustrate such study findings as how: a stepfamily has its own natural life cycle a stepfamily takes several years to develop into a family unit a stepfamily is at greatest risk during the first two years a stepfamily ultimately coalesces into one of three forms a stepfamily must solve four basic tasks in order to succeed a stepfamily can help heal the scars of divorce Filled with emotional, gripping stories, Bray's findings pinpoint the three major transitions in stepfamily life and identify the riskiest issues that can throw a family into crisis. Bray is the first to identify the several distinct forms that stepfamilies take and to explore which types of stepfamilies are more vulnerable than others and why. He also describes the natural life cycle of stepfamilies and basic tasks all stepfamilies must undertake to succeed. With a wealth of insight into the positive effects of remarriage, Bray shows how a loving, well-functioning stepfamily can lessen the trauma of divorce and restore a child's and family's sense of security. Most stepparents remarry with the highest hopes and new resolutions for a better life. Never before have their unique needs been addressed in depth. Through insightful case studies and practical advice, Stepfamilies reveals how a strong, stable stepfamily is as capable as a nuclear family of nurturing healthy development, of imbuing values, of setting limits and boundaries, and of providing a structure in which rules for living a moral and productive life are transmitted, tested, rebelled against, and ultimately affirmed. Bray's positive message and fascinating findings—many of which defy intuition—will put stepfamilies on the road to lifelong harmony.

**My Blended Family** Jun 23 2019 My Blended Family is the story of a normal day in Olivia's life. When classmate Lenny visits her home, he discovers Olivia has a stepmom and four stepsiblings. Who gets her snack? All the kids! Who helps with her homework? Eve and Tiffany! Who reads her bedtime story? Nora and Dad! Lenny realizes love makes a family.

**The Blended Family Activity Book** Jan 23 2022 Create connections and help your blended family bond using these engaging activities Blending a family can bring up big feelings, so it's important to spend quality time together. This book includes 75 family-friendly activities to get everyone thinking, talking, and making memories together. What sets this activity book apart from other parenting and relationships books: Celebrate each other--Find something for everyone so no one is left out. Mindful family bonding--Explore activities rooted in mindfulness practices that encourage family members to trust and support each other as you build bonds that will last a lifetime. Nurture the relationships in your family and help each person thrive with The Blended Family Activity Book.

**Building Love Together in Blended Families** May 27 2022 How to create a loving and safe environment for your blended family Blended families face unique challenges, and sadly, good intentions usually aren't enough. With so many complex relationships at play, all the normal rules for family life change, even how you apply something as simple as the five love languages. That's why Gary Chapman, the bestselling author of *The 5 Love Languages* and national expert on stepfamilies, Ron Deal, join together in this book to teach you how the five love languages can help your blended family. They'll teach you: about the unique dynamics of stepfamilies how to overcome fear and trust issues in marriage how to develop healthy parenting and step-parenting practices how the love languages should--and should not--be applied You're going to face many challenges, but with the right strategies and some smart work, your family can be stronger and healthier together.

**My Super Family** Feb 09 2021 My Super Family is a book about a six-year-old boy whose parents are divorced and live in separate homes. Cory explores the normal feelings and questions children have when parents separate or divorce. This charming story answers questions, explores feelings, and helps children of blended families understand what matters most—that they are loved!

**Our Blended Family** Jan 11 2021 Divorce, remarriage, and blended families are facts of our society. This can be a very big adjustment for children. "Our Blended Family" tells the story of one little girl's experience. Find out how she copes with a new stepparent and stepsiblings and comes to terms with being a member of a blended family.

**The Smart Stepfamily Guide to Financial Planning** Apr 25 2022 Money issues are a frequent source of conflict in all marriages. But blended families are a monetary minefield. Debts, bills, and child support payments from previous relationships often influence the finances of a blended family. And planning for college expenses, retirement, and inheritance gets even more complicated in remarriage. These issues can explode couple unity and blow up developing family harmony. However, proper blended family money management can make money an asset to your relationship, not a liability. The authors use over 50 years of combined financial planning and blended family educational experience to help you envision your combined financial future and plan for how you'll get there. You'll discover practical ways to merge your current financial realities and protect your marriage while doing so. Get real-world financial advice specific to unique blended family legal and relational matters so you can provide for your family both now and in the future.

**Preparing to Blend** Aug 06 2020 A Premarital Guide for Blended Family Couples If you want to enter a blended family marriage well, this is the book for you. Aimed at engaged or pre-engaged couples who have at least one child from a previous relationship, Preparing to Blend offers wise counsel on parenting, finances, establishing family identity, and daily routines for your new life together. Within these pages you will learn how to: · predict common issues · define expectations · create solutions You, your soon-to-be-spouse, and your children will benefit from exercises designed to accelerate family bonding and help you better understand each other. There is even a chapter to help you plan your wedding with your children in mind, so you can build a strong future together. Preparing to Blend is also an ideal premarital counseling tool for marriage coaches, mentors, and pastors wanting to prepare couples for complex blended family dynamics. If you are considering forming a blended family, Preparing to Blend is the resource you've been looking for.

**Stepcoupling** Oct 20 2021 Love may be sweeter the second time around, but once the bliss of a newfound relationship wears off a little, the reality of being part of a stepfamily sets in. If you are one of the millions of remarried Americans facing the challenge of blending two existing families into one cohesive whole, you are part of a stepcouple—and you know all too well how hard it can be to make your marriage work in sometimes tough terrain. Different parenting styles, finances, relationships with ex-spouses, legal matters, and even seemingly simple issues such as the kinds of chores assigned to children can chisel away at your union if you don't always make your marriage a priority. Stepcoupling offers advice for stepcouples on how to do just that—all the while strengthening their blended family with a healthy marriage. Susan Wisdom and Jennifer Green provide tips and strategies on dealing with the issues remarried couples face, with a wealth of advice from real-life stepcouples, such as: \* Learning to tailor your expectations of your spouse or children and remembering that no family is perfect \* Knowing where your boundaries are, whether involving a hostile ex-spouse or a stepchild who demands too much attention \* Realizing that traits like flexibility, tolerance, forgiveness, and openness are especially essential in a stepfamily situation \* Making "us" time for talking, problem-solving, weekends away, and enjoying your marriage to constantly renew and strengthen your bond as a couple Let this invaluable remarriage manual help you make your stepcouple the foundation of a strong, happy, and successful stepfamily.

**Positive Discipline for Blended Families** Dec 22 2021 Provides advice to help solve the problems faced by couples with children from previous relationships

**Blending Families** Aug 18 2021 Even under the best of circumstances, marriage in a blended family is challenging. From parenting to ex-spouses to past hurts, couples face many obstacles. In *Blending Families*, eighteen successful stepfamilies will show you how they've learned to overcome their everyday challenges. Whether you've been married for years or just preparing for the journey, *Blending Families* is the essential resource to help you breakthrough and have a successful family that will thrive for years to come. About the Author Jimmy Evans is Founder and CEO of MarriageToday, a ministry that is devoted to helping couples thrive in strong and fulfilling marriages and families. Jimmy and his wife Karen co-host MarriageToday with Jimmy and Karen, a nationally syndicated television program which is broadcast daily into over 110 million homes in America and more than 200 countries worldwide.

**Blending Families** Oct 27 2019 Today more Americans are part of a second-marriage family than a first. Inevitably, these newly blended "stepfamilies" will be confronted by their own special problems and needs. This insightful problem-solving guide offers solid solutions—and includes real-life stories from families who've been through the adjustment process. Written by an award-winning author who specializes in

health and family care, the book covers a wide range of issues--emotional, financial, disciplinary, and interpersonal. Naturally, there is no "one-size-fits-all" solution for second-marriage families. Each is unique, with its own composition, personalities, and problems. But with patience and understanding, this new family can work, live, and eventually love--together. Includes special sections on: \* Family communication \* Former spouses \* Grandparents and step-grandparents \* Juggling households \* Commuting children \* Discipline \* School issues \* Family customs and rituals \* Religious differences \* Reducing stress \* Adult time \* Money issues \* Holiday planning \* Vacations \* Curfews and other rules
