***I Have Life: Alison's Journey* as told to Marianne Thamm Sep 29 2022 The triumphant story of a woman who refused to become a victim. Like an apparition, conjured out of the darkness, a young man with light blond hair pushed his face into the car. I immediately spotted the knife. It was a long, thin weapon, almost like a letter opener, with a tapering blade. It felt cold and spiny as he pressed it to my neck. When he spoke his voice, which was quiet and controlled, sounded as though it emanated from a distant planet. But every word thudded into my skull. "Move over or I'll kill you," he whispered. And so began Alison's nightmare journey with the two callous killers who were to rape her, stab her so many times doctors could not count the wounds, slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home. But Alison defied death. And more than that, she denied her attackers the satisfaction of destroying her life. *I Have Life* is the triumphant story of a woman who refused to become a victim. The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life-affirming and strong, is an inspiration to people everywhere.**

***The Cross and Salvation (Hardcover)* May 26 2022 With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his**

provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

The Jefferson Bible Apr 12 2021 Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.

Testament of Abraham May 02 2020 This first verse-by-verse commentary on the Greek text of the Testament of Abraham places the work within the history of both Jewish and Christian literature. It emphasizes the literary artistry and comedic nature of the Testament, brings to the task of interpretation a mass of comparative material, and establishes that, although the Testament goes back to a Jewish tale of the first or second century CE, the Christian elements are much more extensive than has previously been realized. The commentary further highlights the dependence of the Testament upon both Greco-Roman mythology and the Jewish Bible. This should be the standard commentary for years to come.

Who We Are in Christ Jul 04 2020 This title was originally called What We Are in Christ and is a chapter from the larger work entitled "The Two Kinds of Life", which was published in 1943. Description: I was surprised to find that the expressions "in Christ," "in whom," and "in Him" occur more than 130 times in the New Testament. This is the heart of the Revelation of Redemption given to Paul. Here is the secret of faith--faith that conquers, faith that moves mountains. Here is the secret of the Spirit's guiding us into all reality. The heart craves intimacy with the Lord Jesus and with the Father. This craving can now be satisfied. Ephesians 1:7: "In whom we have our redemption through his blood, the remission of our trespasses according to the riches of his grace." It is not a beggarly Redemption, but a real liberty in Christ that we have now. It is a Redemption by the God Who could say, "Let there be lights in the firmament of heaven," and cause the whole starry heavens to leap into being in a single instant. It is Omnipotence beyond human reason. This is where philosophy has never left a footprint.

In this book, he combines ancient wisdom with decades of experience to provide twelve profound and challenging principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. My Book Called Life Nov 27 2019 Take control of your life by understanding the tools which control you. Once you understand this the universe will reward you for using the tools correctly which are available to all of us in abundance. Everyone can become a superhero! This book is for everyone who live by fear and keep waiting for the right opportunity. My advice to that person would be "Don't wait for the right opportunity - right opportunity does not always create a leader but a leader always creates the right opportunity. It's your choice! Through this book the author defines his opinion on what is Time, Motivation, Choice, Dreams and explains by examples that they are all neutral in nature. We by our own choice give them different meaning. The only difference is some people take charge and learn to use it as a tool. Our generation is experiencing a massive shift in consciousness! We as humans have come a long way. First, we had to spend our energy to figure out how to survive against nature. Once we mastered it, we focused our energy to survive against each other. We then gave up and focused our energy in creating things which will elevate our living experience on earth and created abundance. For the first time, when our outer world has become stable, we have suddenly started noticing our unstable, unknown inner nature. Now much of the energy is being spent in stabilizing the inner nature. This was an experiment I set in motion 11 years back when I was 22 years old. He (my younger self) was studying engineering and was in his last year. As every student, he also faced the same questions about the Past, present and future. It is a very critical stage where all the options are open and you meet life teachers giving you, life lessons. It was an exciting time in his life filled with hopes, dreams, fear and excitement. He started to make himself ready to meet life as an adult.

You Too Can Have An Amazing Life Jun 26 2022 Living a life of faith should be an amazing adventure, yet often we find ourselves "stuck in a rut," chasing after dreams that seem impossible to reach. As a missionary in Zambia, John Chalkias witnessed the devastation of poverty and the scourge of hopelessness. In this inspiring new book, he outlines fifteen biblical principles for having an abundant, amazing life. His principles aren't trendy, "pop-psychology" tricks, but deep habits of thought and attitude that speak to and develop character. They're powerful enough to boost anyone through, around, or over any obstacles that are hindering their lives. For those who are struggling with despair and discouragement, this book says YES, you can have the amazing life you dream of!

***Life as a Vapor* Dec 21 2021 31 meditations from the founder of Desiring God that will connect you to a fresh understanding of God and renew your faith. "You do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away" (James 4:14). Living knowing that your life is a vapor is different than just living. Things here are passing away. You've got to hold on to what will stand. Savor what matters. This collection of thirty-one articles is full of that heart-longing after Christ that distinguishes Piper's preaching ministry. You will feel as though you have stumbled into a garden as you enter these pages. The Scripture cuts, Christ is exalted in God, and we worship Him. Life Is Short. Eternity Is Long. Live Like It. You will exist forever. You and God are both in the universe to stay—either as friends on His terms, or enemies on yours—which it will be is proven in this life. And this life is a vapor. Two seconds, and we will be gone. In these thirty-one meditations, John Piper will connect you to a fresh understanding of God and a renewed relationship with Him. You'll find your faith stirred to make every day count for Christ when you consider life as a vapor. Story Behind the Book Time is precious. We are fragile. Life is short. Eternity is long. Every minute counts. Oh, to be a faithful steward of the breath God has given me. Three texts resound in my ears: "Redeem the time" (Ephesians 5:16); "It is required of stewards that one be found trustworthy" (1 Corinthians 4:2); "His grace toward me was not in vain; but I labored even more than all of them, yet not I, but the grace of God with me" (1 Corinthians 15:10). Surely God means for our minutes on earth to count for something significant. Paul said, "In the day of Christ I will have reason to glory because I did not run in vain nor toil in vain" (Philippians 2:16). In the same way, I have good hope from the Lord that my "labor is not in vain in the Lord" (1 Corinthians 15:58).**

God Has a Wonderful Plan for Your Life May 14 2021 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. "Over a quarter million copies in print!"
