My first brigade was now commanded by Brigadier-General William H. Lytle, the second by Colonel Bernard Laiboldt, and the third by Colonel Luther P. Bradley. On the 4th of March I was directed to move in light marching order toward Franklin and...

The Fundamentals: A Testimony To The Truth is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles. They are widely considered to be the foundation of modern Christian fundamentalism. The essays set out what was believed to be the fundamentals of Christian faith. The volumes defended orthodox Protestant beliefs and attacked higher criticism, liberal theology, Catholicism socialism, Modernism, atheism, Christian Science, Mormonism, Millennial Dawn, Spiritualism, and evolutionism.
