*Wrecked* Sep 03 2022 NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the High Seas and High Adventure novel WRECKED. With over 500 5-star ratings on Goodreads, readers love Wrecked! After their cruise goes horribly wrong, four very different teenagers find themselves shipwrecked on a tropical island. When forced to work together, they discover they have more in common than they ever imagined... Cast Away meets The Breakfast Club in this fun read from a New York Times bestselling author. ~BookBub Content Warning: Contains some foul language and non-explicit sex scenes between older teens. May not be appropriate for younger, middle-grade teens. HERE'S WHAT READERS ARE SAYING ABOUT WRECKED: "AMAZING, AMAZING, AMAZING! I'm not sure how to begin this review and remain professional... so I'll just be honest. I FUDGING loved this book! (SOOO SOOO MUCH!) It was fantastic!..." ~ Nancy Figueroa, Tumbling Books, book blog "A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally.

This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond "Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times." ~ Hipsterduck, Amazon Reviewer "This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read." ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... "What if...?" What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That's why it's the first book I wrote, because it was finally time to get it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, "What the heck? Maybe someone will like it as much as I do." Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I've ever made. It literally changed my life. I'm really glad that I spent so much time daydreaming while I was at the beach, and I'm even happier that I took a chance on this story and shared it with the world. \*\*SEQUEL ALERT\*\* This book was originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, RECKLESS picks up where WRECKED left off.

Fire from the Rock Apr 05 2020 Sylvia is shocked and confused when she is asked to be one of the first black students to attend Central High School, which is scheduled to be integrated in the fall of 1957, whether people like it or not. APOCALYPSIS: BOOK 1 (KAHAYATLE): "The storytelling was absolutely first class." ~Trevor Morris, reviewer "Elle Casey has done it again. Created a world that drags you in and won't let you go. I think I am a little bit in love with her brain ... at least the imagination part of it. I love books that make me root for the characters, and this one has you rooting from the very first page..." ~ Cynthia Shepp book reviews "What took me so flipping long to read this book?! Apocalypse: Kahayatle was so very different than what I expected - but just that much better because of it. Elle Casey creates a world ridden with violence and horror and injects the perfect amount of belly-laughing sarcasm, wit, and romance. Her characterization is phenomenal and honest through a setting that is disturbingly realistic..." BetweenTheBind.blogspot.com ~ Jenna, Book Blogger "I read A TON of dystopians and post-apocalyptic novels. They all run together, but not this one. This is the kind of dystopian that I want to read. I love the world Elle Casey has created. It's a tamed-down, less-depressing, good-humoured The Road meets a more-aggressive, less sophisticated The Silence of the Lambs. Read this! It's bloody brilliant." ~ Lucas Deal, Goodreads Reviewer "If you don't enjoy reading books that tend to be addictive and take over your life until you have finished reading it, stay away from Apocalypse. It was nearly impossible to put down. It is also funny - I spent most of the book chuckling or full out laughing." ~ Tiffany Loves Books, Blogger and Goodreads reviewer

When Anne and Cord are found alone together, her father's fury leads to violence. Cord's family accepts that the fault is his. *Beard Necessities* Aug 29 2019 Billy Winston's family is going to see him happy and in love if it's the last thing they do. No one deserves a happily-ever-after quite as much as the second oldest Winston brother and his lady love, Claire McClure (aka Scarlet St. Claire). Cruelty and circumstance tore them apart almost twenty years ago. Secrecy and bitterness kept them separated. But you know who's tired of their separation and stubbornness? Everyone. Especially Billy Winston's family. And now they're going to do something about it. Well-meaning interference

means the star-crossed lovers can't stop tripping over each other in the hills of Tuscany, the catacombs of Rome, and the waterways of Venice. Billy and Claire find themselves thrown together and at the mercy of the Winston siblings' shenanigans. But will their forced proximity bring them together? Or push them even further apart? This second-chance romance brings back the entire Winston gang, playing cupid in one last story of love, hi-jinks, and family collusion. BEARD NECESSITIES is a full-length contemporary romantic comedy, and can be read as a stand-alone, but it's probably best read after books 0.5, 2, 3, 5, and 6 of the Winston Brothers series.

*Red, White & Royal Blue* Sep 30 2019 \* Instant NEW YORK TIMES and USA TODAY bestseller \* \* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \* \* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more!  
\* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

*War of the Fae* May 07 2020 Follow Jayne Sparks, the (still) potty-mouthed seventeen-year-old and newly changed elemental fae and her friends - an incubus, a daemon, a green elf, a water sprite and a pixie - as they struggle to find their places in the Light Fae community of the Green

Forest and prepare for the upcoming battle against the Dark Fae.

**Don't Make Me Beautiful** Oct 12 2020 NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the romantic suspense novel DON'T MAKE ME BEAUTIFUL. \*\*This story was inspired by true events. If you liked the movie "Sleeping With the Enemy", then you might like this story too. \*\* No one knew a woman lived there or that she even existed. A monster, living in darkness... At twenty-two, Nicole doesn't even look human anymore. The beast made sure of that. So she hides. A monster, consigned to a life of fear and solitude. This is all she deserves, she is quite sure of that. And then one day out of the blue, the autographed baseball caught by Brian Jensen at the latest Marlins game enters her prison and manages to turn her world completely upside down. Temptation comes in the form of pity at first, and then perhaps something more. Does she dare to believe the things she's told, that this is not the life she was meant to live? That being a monster is not her forever-fate? And will she be willing to risk everything, to reach out and accept the helping hands around her and share her deepest, darkest secrets? She knows only too well that hands can hurt. Finding out whether they can also heal is a risky proposition, especially when the beast is still out there. Looking for her. Content warning: Violence, foul language, and adult situations. Not meant for younger readers. A message from Elle about this book: A really long time ago, I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time, she couldn't leave her house. I thought about that woman a lot over the years and about what her thoughts might have been, her fears, her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject—domestic violence—that I feel should never be left in darkness. **HERE'S WHAT READERS ARE SAYING ABOUT DON'T MAKE ME BEAUTIFUL:** "Don't Make Me Beautiful is a deeply touching, beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. It's both heart breaking and heart warming with a strong heroine, a to-die-for hero, and a story that will stay with you long after you finish reading. It touched my heart deeply and reminded me that there are still superheroes out there everyday who save each other. This is easily one of my favorites of the year!" ~ Aestas Book Blog "I hope this book gets huge everyone should read it...those of us that read the likes of Sylvain Reynard....Colleen Hoover....Abbi Glines.....S.C. Stephens....Jamie McGuire just to name a few.....we all sit around waiting for their new releases patiently....well Elle Casey just went on my top list of Authors to look for with their next story..." ~ Amazon reviewer "This story is gritty and real. Elle didn't have to use any bells and whistles to tell Nicole's story. From page one it felt like the story was a natural progression - never forced or overdone. I give this book 5 stars. I do want to say that while this is a hard story to read, it is very well worth the tears. Anyone who has survived will ache for Nicole, but will find inspiration in the courage she had to heal. To not be a victim. To rise up and survive. To embrace your happily ever after even though it scares you worse than the horrors you already survived." ~ Book blogger "Mommy's A Book Whore" "Don't Make Me Beautiful is a story that will remain with me for quite some time. Nicole's journey of restoration and healing and her second chance at life was real and heart-lifting. I commend Elle Casey for taking on such a powerful venture. While the book did have some dark undertones, Ms. Casey gave it a lighter feel establishing that even the most broken can overcome the darkness of their past and find the happiness that was once held from their grasp." ~ Booklikes Blogger LisaP.

readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all.
