Blurred Boundaries May 31 2022 Blurred Boundaries WREN I colored inside the lines. Dotted my i's and crossed my t's. Avoided connections, limited questions, and didn't get personal. Playing it safe kept my identity hidden. What was meant to be a working holiday had me straying from the safety of the sidelines. He tempted me, and I fell - hard Throwing caution to the wind and my rules out the window Keep it light, no strings, no expectations What could go wrong? It wasn't like I'd see him after my vacation... For years my rules kept the attention off of me. That was until he walked into class. ELI As a varsity athlete, I believed practice made perfect. I was a player on and off the field. I had planned to work on my techniques for years to come. Who could have predicted the impact of my casual holiday hookup? Falling for her wasn't part of the game plan. She insisted on no contact after we left the island - I reluctantly agreed. Imagine our surprise when we ended up in the same classroom. Screw the optics. Screw the blurred boundaries. Relegation to any zone that puts me out of her bed isn't an option. To hell with her rule book...I'm competitive by nature and won't stop until she's mine.

Cutie and the Beast Feb 25 2022 Living with her mother seemed like a good idea at the time. But Elliott Donovan's living arrangements are not working for her anymore. Desperate to get back on her financial feet after a divorce and out from under her mother's thumb, Elliott takes a job in the child care center at Weight Expectations, a local gym. It has everything she needs - family friendly hours, more pay than she expected, and a super cute trainer who just happens to have part of his house for rent. Abel DiSoto was living the good life until his wife walked out taking half of the family income with her. The blow to his ego was bad enough, but after a fire at the gym scattered Abel's clients, and consequently his commissions, he's stuck figuring out how to make ends meet, too. Renting out the master suite of his house to his new co-worker seems like an easy solution. They're both mature adults, they both have eight-year-old daughters, and their work schedules coordinate so they can lend each other a helping hand to ease the burden of single parenthood. through drawing, writing or singing and creating objects with one's hands, the authors share how individual and collective acts of creativity and movement enhance, support and embrace wellbeing, offering guidance to the reader on how such creative expression can be adopted as self-care practice. This book highlights how connection to hand, body, voice and mind has been imperative in this process for expression, flow and engagement with self and wellbeing practices. Critical Posthumanism: Cloned, Toxic and Cyborg Bodies in Fiction Jul 01 2022 Focusing on three representation of posthuman bodies as cloned bodies in Kazuo Ishiguro's *Never Let Me Go* (2005), toxic bodies in Indra Sinha's *Animal's People* (2007), and cyborg bodies in Justina Robson's *Natural History* (2004) from the theoretical perspectives of posthuman definition of what it means to be human, this study discusses the changing concept of the body. In this context, the integral and dynamic connection between a human body and the world is of special significance, which opens up new possibilities to reconfigure the human body that is no longer conceded separate from the nonhuman world but embodied in it. Each of the novels significantly displays the in-betweenness of humans by making them interact with chemical substances, machines, and other nonhuman entities, and shows how clear-cut distinctions between the human and the nonhuman bodies have collapsed.

Treacherous Nov 05 2022 Teagan "I wanted to go home." "Moving to America wouldn't

have been so bad if it weren't for the family next door, but because of my so-called guardian - and I used that term lightly - we were the latest family to take up residency in Thirteenth Street, and I was the sole target of the bitch over the fence." "But, for me, life was a lot to get a lot worse." "Noah Messina, Ellie's step-brother, had decided to join her torment-the-new-girl-until-she-cracks mission." "There had been a fight in their driveway last weekend - between Noah and some other tattooed douchebag - that had progressed into our yard, resulting in the windshield of my car being smashed when Noah pummeled his opponent through it. Thinking back now I had to admit that I sort of overreacted when I stalked outside in nothing but a Coldplay t-shirt and a black thong and tossed an entire can of white gloss paint over the hood of Noah's black Lexus in retaliation. I guess it had felt damn good to fight back instead of letting them walk all over me..." "Destroying Noah's car with paint was like waving a red rag in front of a bull. He lost it. Right there in my driveway, with his t-shirt ripped from his body and blood dripping from his eyebrow, Noah Messina had thrown the biggest man-tantrum I'd ever seen before declaring war on me..." "Noah "I was going to lose my shit over the girl-next-door." "God, three months of having her live next door to me and I still felt like slamming my head into the garden wall - now worse than ever since she had challenged me." "The defiance in her eyes as she stared at me down before bending over the hood of my baby and emptying the can of paint was something that struck a chord inside of me. I'd never been so angry or turned on in my life." "Pure rage had flooded my veins, driven on even further when Teagan taunted me with her potty mouth and yeah, I'd kind of lost it with her. Problem was I had an even uglier temper, and Friday night Teagan Connolly ignited it like no one had before. When she slapped me and pressed her tight little body against mine, taunting me with that sharp tongue of hers, I'd never been so close to putting my hands on a woman in my life." "Except instead of hurting her, I wanted to toss her sexy little ass on the hood of my car and take her right there, not caring who saw us. The urge to be inside her was like nothing I'd ever felt in my life..." Warning: Due to its explicit content Treacherous is recommended for readers of eighteen years or above."

I, Lukas, Wrote the Book Aug 22 2021 What was it like, in the Greco-Roman world of the late first century, to sit down to write a gospel, specifically, the Gospel According to Luke?
