Die with Zero Jul 19 2019 "A ... new philosophy and ... guide to getting the most out of your money--and out of life--for those who value memorable experiences as much as their earnings"--Trump Jun 29 2020 First he made two billion dollars. Then he made The Apprentice. Now The Donald shows you how to make a fortune, Trump style.

The Impact Equation Oct 14 2021 "Anyone can write a blog post, but not everyone can get it liked thirty-five thousand times, and not everyone can get seventy-five thousand subscribers. But the reason we've done these things isn't because we're special. It's because we tried and failed, the same way you learn to ride a bike. We tried again and again, and now we have an idea how to get from point A to point B faster because of it." Three short years ago, when Chris Brogan and Julien Smith wrote their bestseller, *Trust Agents*, being interesting and human on the Web was enough to build a significant audience. But now, everybody has a platform. The problem is that most of them are just making noise. In *The Impact Equation*, Brogan and Smith show that to make people truly care about what you have to say, you need more than just a good idea, trust among your audience, or a certain number of followers. You need a potent mix of all of the above and more. Use the Impact Equation to figure out what you're doing right and wrong. Apply it to a blog, a tweet, a video, or a mainstream-media advertising campaign. Use it to explain why a feature in a national newspaper that reaches millions might have less impact than a blog post that reaches a thousand passionate subscribers. Consider the phenomenally successful British singer Adele. For most musicians, onstage banter basically consists of yelling "Hello, Cleveland!" But Adele connects with her audience, pausing between songs to discuss a falling-out with her friends, or the drama of a break up. Each of these moments comes off as if she were talking directly with you, and you can easily relate. Adele has Impact. As the traditional channels for marketing, selling, and influencing disappear and more people interact mainly online, the very nature of attention is changing. *The Impact Equation* will give you the tools and metrics that guarantee your message will be heard.

Being the Billionaire's Girlfriend The Prequels Apr 08 2021 Take a peek inside the provocative summer nights between billionaire Alan Mitchell and Brianna Walsh. The *Prequels: Complete Box Set* features the first three books in this unconventional romance. *The Right Woman* He wants her...she isn't quite ready for him. Alan Mitchell knows he doesn't need to ask twice for something he wants. When he snaps his fingers, everything his body desires appears on a silver platter. And yet, his dating life never ceases to frustrate him. But when he hires an escort to be his fake girlfriend, he realizes he's been looking for what he wants in all the wrong places. Brianna is an escort. However, when she meets her latest client, a young billionaire, sparks begin to fly, in all the wrong ways. Can Bri withstand the fever that itches to take her? Or will the heat consume them both? *Break Every Rule* He has all the money in the world, but it's not enough to

buy what he really wants. Her love. Alan Mitchell is used to getting what he wants. Except with his ex-fiancée. And sadly, he can't avoid her much longer. He will not face her alone, though. When they meet again, he'll have the perfect woman on his arm. Hiring an escort was all part of the plan. He just never anticipated how complicated everything would get when he started having very real feelings for his fake girlfriend... Brianna Walsh has a plan, too. She'll continue working as a high-priced escort as long as it suits her, then she'll retire and settle down with her loving boyfriend to live a nice, peaceful life. In the meantime, she'll happily play the part of the sexy billionaire's girlfriend. After all, it's her job. But she won't fall for him. Or so she keeps telling herself... A contract ties them together, but their ever-growing feelings tempt them to break every rule. And right now, only one thing is certain. Their lives will never be the same... Feast of Flesh No matter which path she chooses, someone will end up heartbroken. If she's not careful, it'll be her. Alan Mitchell and Brianna Walsh's relationship is...complicated. It has been from day one. Now, they've finally come to an understanding. She'll still be an escort, but she'll only have one client. Alan. The new arrangement was supposed to simplify everything. But it didn't. Because Alan wants more from her than she's ready to give-especially since she still has a boyfriend who is not-so-patiently waiting for her time as the billionaire's paid companion to end. And the more time she spends with Alan, the harder it becomes to remember why their relationship must remain professional. Breaking their contract would solve so many problems-for both of them. But would it also break their hearts? Being the Billionaire's Girlfriend Saga is a sometimes angsty, occasionally witty, always steamy contemporary romance featuring a billionaire who usually gets what he wants, and the strong, smart heroine who lets him buy her time, but makes him earn her heart. While the prequel does not end in happily ever after, don't worry: Bri and Alan will eventually find their way to HEA. ***Warning: The heat level on these books are high! Intended for 18+ audiences.***

Nothing to Lose, Everything to Gain Sep 01 2020 Conservative political commentator Kathy Barnette shares how liberal leadership has failed the black community and how being a democrat is not synonymous with your skin color. During his first historic run for the presidency in 2016, Donald Trump made an impassioned plea to the black community. "Give me a chance," he said. "What the hell do you have to lose?" According to Kathy Barnette, black Americans have nothing to lose, except for crime ridden communities, neighborhoods that have become shooting galleries, more social welfare programs, and the mocking indifference of the Democrat party. Barnette argues that even a cursory look into the black community reveals the destabilizing effect liberal policies have had on the black family. There was a time when Barnette bought into the same lie as everyone else—that if you're black, you must be a democrat. In fact, she was born into the Democrat party just as much as she was born into brown skin. There was no point of separation. Until she began to understand what it truly means to be black in America. Barnette contends that being black is more than just the color of her skin. It's a culture and a consciousness, too. In *NOTHING TO LOSE, EVERYTHING TO GAIN*, Barnette writes about why liberal policies have failed the black community time and time again - and will fail the larger American community as Democrats rush to the hard Left of the party. From the "Great Society" to Kanye West's ongoing war with the liberal establishment, this book provides sharp, eloquent commentary on the most pressing issues facing black Americans today: broken family structure, loss of identity, the legacy of slavery, and more. Barnette argues that President Trump has not been willing to presume that the "black vote" is a foregone conclusion resting comfortably in the back pockets of Democrats. With his plainspoken style and willingness to face harsh truths, the president has done more for the black community than any president since Abraham Lincoln. Barnette insists the time is now to get back what has been lost, to fix the brokenness, and to recognize and support those who are actually working in our favor. We have nothing to lose, and even more to gain.

The Billionaire's Christmas Gift Sep 20 2019 Everything in his life is planned. How'd she get on his agenda? Quint Fairchild, head of Fairchild Films, learned long ago that in Hollywood everything's make believe, including love. So why can't he resist the small town innocence of struggling scriptwriter Chrystelle Bach? She's entirely too fascinating, but he can convince himself he doesn't want her?he wants her script. Chrystelle wishes she could spend Christmas with her beloved grandmother in her Colorado hometown. Then Quint offers her a contract to produce her TV series. She almost believes this is the best Christmas ever?until she reads the contract. He doesn't just want rewrites, he wants her to change everything. The battle begins, but when Chrystelle's grandmother takes ill, Chrystelle knows where she belongs and hops the next bus home. What she hadn't expected was Quint on her front porch, and not to wish her a Merry Christmas. He wants her script?on his terms, of course. Their conflict continues, but the more time Chrystelle spends with this stubborn billionaire, the harder it is for her to remember why she can't change her script. But sprinkle this battle with grandmotherly wisdom and holiday charm, and the season of blessings reveals love in more ways than Chrystelle and Quint ever imagined.

Unleash the Billionaire Within Jan 17 2022 It is with great pleasure and enthusiasm that I present to you "Unleash The Billionaire Within". UTBW is the nuclear modern day "Think and Grow Rich" for our times and times to come. UTBW was created by modeling the results of studying men and women who have studied the wealthiest and most successful people in the world, people such as Napoleon Hill, Andrew Carnegie, Anthony Robbins, Warren Buffet, and Bill Gates to mention a few. UTBW teaches it's reader to think into the unimaginable and to realize that they already possess the power within themselves to turn this knowledge into abundant power for acquiring anything they so desire. Each and every one of us is standing right over our own abundant avalanche of successes ready to be reaped. We all have dreams, desires, and passions that need not go unfulfilled in our lifetime. The book also helps the reader to see how he or she may obtain success without violating the rights of god or other people by aligning his or her values and beliefs intelligently. UTBW also teaches how adversities may be overcome in the pursuit of any goal. An Napoleon Hill said, "Don't be afraid of a little opposition, Remember that the "kite" of success generally rises against the wind of adversity - not with it". Like a martial arts expert if one masters the skill of repetition of a successful skill he or she will reach their sought after treasure no matter how large or small. The book also helps the reader to answer questions such as, If I daily have a billion dollar vision as a definite goal and take massive action towards obtaining my billion dollar vision will I become a billionaire ? Enjoy the adventures of your life as you discover it's not just how having a billion dollar vision, it's who you become in the process of that billion dollar vision that creates true fulfillment and happiness in life. So please give yourself permission to start your journey into the future of tomorrow now, by purchasing your copy of "Unleash The Billionaire Within" now. God Bless

The Millionaire Fastlane Aug 24 2022 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat

of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Secrets of the Millionaire Mind May 21 2022 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

L.A. Teacher Stays, Becomes Multi-Millionaire Jun 22 2022 Reader beware! This book and author may appear to be incongruities. But is it so strange that the same person should assume the role as both real estate investor and a public school teacher? To escape retirement on welfare and starting with nothing I describe how I was able to build equity of well over several million dollars while continuing to teach public school. Happily I was rewarded with the privilege of teaching children for 30 years and my classroom adventures are included within these pages. Then it is wrong to praise freedom in our free enterprise system while deploring the status of so many teachers whose classroom lives and ability to teach are ground out by the dictatorial

policies of the educational bureaucracy? On the contrary I believe it is imperative that the truth be told for the good of us all. These are my memoirs.

SEXY GIRLS AND THE BILLIONAIRE (Part II) Aug 12 2021 THIS BOOK TAKES THE READER ON A SOMEWHAT DARK JOURNEY INTO THE NEVER-ENDING NEED FOR SEX, MONEY, AND ACCEPTANCE. A YOUNG BILLIONAIRE, TRISTAN, IS ON THE PROWL FOR BEAUTIFUL LADIES, HE HAS THE LOOKS AND LOTS OF MONEY TO GET WHATEVER HE WANTS. THIS BOOK EXPOSES THE POWERFUL HUMAN DESIRE FOR PASSION AND THE BURNING LUST FOR DIFFERENT PARTNERS IN THEIR BEDROOMS. SOME PEOPLE MAY JUMP OUT OF AN AIRPLANE FOR EXCITEMENT, OTHERS MAY JAB A NEEDLE INTO THEIR VEIN TO GET-OFF, BUT THE CHARACTERS IN MY PAGES PERFER PLEASURE, THEY JUST LIKE TO CREATE SEXUAL ELECTRICITY. IS IT WRONG TO MIX IT UP AND SWING A LITTLE? WE ARE STILL ALIVE, SO LET'S GET IT ON LADIES, SAYS THE YOUNG BILLIONAIRE TRISTAN HOWL. HE GET'S EVERYTHING AND ANYONE HE WANTS!!

Nothing to Lose, Everything to Gain Oct 26 2022 The incredible story of a gang member who became a multimillionaire CEO. Ryan Blair's middle-class upbringing came to an abrupt end when his father succumbed to drug addiction and abandoned his family. Blair and his mother moved to a dangerous neighborhood, and soon he was in and out of juvenile detention, joining a gang just to survive. Then his mother fell in love with a successful entrepreneur who took Ryan under his wing. With his mentor's help, Blair turned himself into a wildly successful multimillionaire, starting and selling three companies worth hundreds of millions of dollars. This book will inspire and guide people who are willing to do whatever necessary-hard work, long hours, sweat equity-to take their vision from paper to pavement. Blair gives readers a road map for successful entrepreneurship.

No Billionaire Left Behind Nov 22 2019 Growing economic inequality, corporate influence in politics, an eroding middle class. Many Americans leave it to politicians and the media to debate these topics in the public sphere. Yet other seemingly ordinary Americans have decided to enter the conversation of wealth in America by donning ball gowns, tiaras, tuxedos, and top hats and taking on the imagined roles of wealthy, powerful, and completely fictional characters. Why? In *No Billionaire Left Behind*, Angelique Haugerud, who embedded herself within the "Billionaires" and was granted the name "Ivana Itall," explores the inner workings of these faux billionaires and mines the depths of democracy's relationship to political humor, satire, and irony. *No Billionaire Left Behind* is a compelling investigation into how satirical activists tackle two of the most contentious topics in contemporary American political culture: the increasingly profound division of wealth in America, and the role of big money in electoral politics. Anthropologist and author Angelique Haugerud deftly charts the evolution of a group named the Billionaires—a prominent network of satirists and activists who make a mockery of wealth in America—along with other satirical groups and figures to puzzle out their impact on politics and public opinion. In the spirit of popular programs like *The Colbert Report* and *The Daily Show*, the Billionaires demonstrate a sophisticated knowledge of economics and public affairs through the lens of satire and humor. Through participant observation, interviews, and archival research, Haugerud provides the first ethnographic study of the power and limitations of this evolving form of political organizing in this witty exploration of one group's efforts to raise hope and inspire action in America's current political climate.

Congressional Record Nov 15 2021

The Engine of America Dec 24 2019 Winning business strategies from CEOs of 50 successful small businesses (some of which are now large corporations) who share their experiences to help those starting or growing their own business Small business is the engine that drives America's

new economy. In *The Engine of America*, former administrator of the Small Business Administration (SBA), Hector Barreto and veteran journalist Bob Wagman reveal the winning business strategies of CEOs from 50 companies. For all those starting or growing their own small business, the wisdom, experience, and counsel of these successful leaders provides inspirational and thoughtful advice on making it as an entrepreneur. In this book, Barreto shares details of business success, and the insights he gained while administering the nation's largest small business loan, training, and counseling organization. Some of those sharing their stories in *The Engine of America* have grown their businesses from the most humble of beginnings into corporate giants whose brands are household names and whose operations are integral parts of the national economy. Others may not be instantly recognizable, but what they have in common is success. Hector Barreto believes if you can teach a small business owner something he or she doesn't know, but which is critical to the growth of their small business or which allows them to avoid a critical mistake, you have helped put them on the road to success. That's what *The Engine of America* will do. Hector V. Barreto (Los Angeles, CA) is the former five-year administrator of the U.S. Small Business Administration where he directed a \$60 billion support system for American entrepreneurs. He has lived and worked in all regions of the country, and is currently the Chairman of the Latino Coalition and a frequent speaker on small business topics. Robert Wagman (Washington, DC) is the former Capitol bureau chief for Scripps Howard's Newspaper Enterprise Association. He is also a former field producer for 60 Minutes, editor of the *World Almanac on Politics*, and author of many business and political nonfiction books.

How to be a Billionaire Jan 05 2021 "A truly enlightening work filled with fundamental strategies that have worked for others. Martin Fridson documents the essential principles inherent in every billionaire's success." -Gordon Bethune Chairman of the Board and CEO Continental Airlines

But hard work, thrift, and focus are only part of the story—you hold the rest of it in your hands. *How to Be a Billionaire* is the first comprehensive picture of the real strategies and tactics that built the great business fortunes of modern times. Packed with engaging accounts of titans like Ross Perot, Richard Branson, Phil Anschutz, John D. Rockefeller, Wayne Huizenga, Bill Gates, J. Paul Getty, and Kirk Kerkorian, *How to Be a Billionaire* will show you principles that can increase your wealth and business acumen to the mogul level. *How to Be a Billionaire* looks at the careers, the methods, and the minds of self-made billionaires to distill the common keys to titanic accumulations of wealth. Each chapter explores a specific strategy and brings it to life through extended profiles of past and present masters of the art of making money. Do you think innovation is the best way to prosper in business? Sam Walton, founder of the Wal-Mart retail chain, would tell you otherwise. The key to Walton's success was supreme devotion to copying the methods of other successful discounters. What could be less complicated than buying low and selling high? But the ascent of Warren Buffett, John Kluge, and Laurence Tisch to billionaire status depended on much more than an eye for good bargains. And if you're looking to thrive by outmanaging the competition, look no further than Richard Branson. When the founder of Virgin Atlantic needed to reduce his staff by 400 people, 600 volunteered to take off a few months on sabbatical. *How to Be a Billionaire* identifies the methods, beliefs, and behaviors every businessperson must understand and emulate to reach the pinnacle of riches. A manual for success that can benefit every aspiring tycoon, it is a fascinating read for anyone intrigued by wealth and how it's gotten. Praise for *HOW TO BE A BILLIONAIRE* "How to Be a Billionaire offers fascinating insight into the subject of building wealth. As a result of his exhaustive research, Martin Fridson is able to explain the wealth-creation process from a unique perspective. As the reader will discover, there is no single formula for success, but there are certain categories into which these concepts can be placed. My personal advice is to remember the words of

Winston Churchill who said, 'Success is the ability to go from one failure to another with no loss of enthusiasm.'" -Ross Perot "Martin Fridson has created the ultimate roadmap to the American Dream. He comes as close to extracting a formula for the acquisition of wealth as any book I have ever read." -Jeff Sagansky CEO, Paxson Communications "Martin Fridson's book has a number of very insightful and thoughtful analyses, something you don't pick up in many business schools." -Philip F. Anschutz Chairman and CEO, The Anschutz Corporation "How to Be a Billionaire is a powerful arsenal of dead-on strategies for increasing your personal wealth and business acumen. Marty Fridson details the tactics of self-made billionaires with great intelligence and insight. I wish this book had been available when I was starting my career." - Spencer Hays Founder, Tom James Company Executive Chairman, Southwestern/Great American, Inc. Chairman, Athlon Publications

The Irish Billionaire's Secret Baby Dec 04 2020 He has nothing left to lose. Billionaire Conor O'Brien doesn't think his wealth is worth much after the loss of his wife and child. He's bleeding and broken, but no one can tell. He keeps his grief well hidden. Even after two years, he is still not ready to feel again... until Leah Gillespie returns and smiles at him. Suddenly, his heart is beating again, and he finds himself on a wild ride that ends up in her bed. He is blown away. She has nothing left to give. Leah Gillespie is running on empty. She had been Conor O'Brien's PA when his wife Penny and their toddler Niall were tragically killed in an accident. Leah had been with them at the time, and escaped with her life and deep emotional and physical scars. She had hid from Conor because she hadn't known what to say to him. Now she is back to settle a family matter, and the unexpected heat between them consumes her. They have everything to gain. Neither Leah nor Conor expect to fall in love, and certainly not with each other. And neither is prepared for baby Teagan, whom Lee tries to hide from him. But their son's unexpected life brings back memories both wish to forget, and forces Con and Lee to face the future, and their love for each other, head on.

This Billionaire's Desire Apr 20 2022 Matt was just an average billionaire who seemed to get

everything he wanted. He had a nice house and car, his job was great, he hung out with all the right people and his bank account was nice. The one thing he always wanted but couldn't have been his best friend's sister. Matt and Tyler were best friends since kindergarten. They did everything together, but the one thing Tyler made Matt promise was that he would never date his sister Nellie. It was easy for Matt to promise considering Nellie moved across the country. Nellie worked in marketing on the east coast and loved her job. However, something about being away from all her family in the Midwest had her desperate to return home. Now her boyfriend has broken up with her who just so happens to be her boss. She finds it as the perfect excuse to go back home. Matt never planned to fall for Nellie again, but he couldn't believe how beautiful she was. He wanted her like he had wanted her his whole life. Matt is willing to risk his friendship with Tyler to get closer to his sister, but what it does is start to tear a family apart. Will Tyler and Matt be able to stay friends? Will Tyler ever accept Matt and Nellie's relationship?

Rock Bottom to Rock Star Jan 25 2020 Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to-this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a

former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

The Instant Millionaire Mar 07 2021 In a unique business fable, a wise, old millionaire counsels an eager young man through practical, ready-to-implement lessons that reveal ideas and actions that can give anyone the mentality of a millionaire. Original.

The Billionaire's Lawyer Mar 27 2020 Shy, reserved, young lawyer Gabriela Sanchez may have more of a reputation for her stunning looks than her big case trial experience but there's much more to her than meets the eye. When she is hand-picked by a public relations firm to represent the richest man in Texas, she soon realizes her life is about to change forever. As a young Latina lawyer who is more comfortable volunteering with immigrants than mixing with the rich and famous, Gabriela comes from a different world to her client, conservative oil billionaire Sparks Duval. But can she put aside these differences to make sure his bulging bank balance and high profile status don't get in the way of his right to a fair trial? And just how far will the government lawyers go to convict Duval? With the case described by the media as the 'Texas trial of the century', Gabriela knows she needs to win the hearts and minds of a sceptical jury to secure the right verdict. *The Billionaire's Lawyer* is the first book in the Gabriela Sanchez series by author Cordell Parvin. This fast-paced courtroom drama will keep you on the edge of your seat as the characters struggle to find a balance between money and power and justice and morality. Can an idealistic young lawyer and a smart PR team work together to save Sparks or are there too many people with everything to gain from seeing him end up behind bars?

The Billionaire's Secret Feb 24 2020 Stranded with the woman of his dreams... but will his big secret break her heart? Winner of the Contemporary Romance Category of the Selah Awards!

When Ryan Lawson's business partners force him to go on a wilderness retreat to come to terms with a shocking diagnosis, the last thing on Ryan's mind is romance. But when he's stranded in the woods with a sweet young event planner, all thoughts of business take a back seat to her girl-next-door appeal. Fresh off a bad breakup, Zara Georgopoulos comes to Vermont to help her terminally ill mom work through her bucket list—not fall in love with a man who's the exact opposite of her usual type. But when Ryan starts working his way into her heart with his kindness and generosity, she needs to make a decision: Trust the biotech billionaire not to walk all over her, or go back to guarding her heart. Stuck in the wilds of Vermont, they forge a tenuous connection. When Ryan finally shares the truth about his illness, will it bring them closer together . . . or shatter Zara's trust in him for good? Inspired by 2 Corinthians 12:9, *The Billionaire's Secret* is a sweet inspirational romance with a swoony hero, LOTS of entertaining banter, and a strong Christian message. It's Nothing, Seriously Jun 10 2021 It's Silence, Soundly, It's Nothing, Seriously and It's Absence, Presently, continue The 'It' Series published by Matador since The Book of It (2010). They constitute another stage in an artistic journey exploring the visual and auidial dialectic of mark, word and image that began over 25 years ago. In their aesthetic form the books are a decentred trilogy united together in a new concept of The Bibliograph. All three present this new aesthetic object, which transcends the narrow limits of the academic bibliography. The alphabetical works also share a tripartite structure and identical length. The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs – nothing/ness, absence and silence – which recur throughout the alphabetical entries that constitute the elements of each text. It's Nothing, Seriously, for example, addresses the amusing paradox that so much continues to be written today about – nothing! The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way. The reader is invited as well to examine their various inter-textual relations across given conventional boundaries in the arts and sciences at several levels of physical, psychical & social reproduction.

Billionaire Boys Club Collection 2: Once Upon A Billionaire, Romancing The Billionaire, One Night With A Billionaire Apr 27 2020 Indulge in the Billionaire Boys Club Collection, featuring Books 4, 5 and 6 in the series. Fans of J.S. Scott, Louise Bay and Melody Anne - prepare to be dazzled by Jessica Clare's Billionaire Boys Club, a secret society of six incredibly wealthy men who have vowed success in business - at any cost. But success when it comes to love is a different matter... In ONCE UPON A BILLIONAIRE, when scholarly billionaire Griffin Verdi must return to his country for the wedding of the century, he needs a good assistant at his side. Unfortunately for him, he's stuck with Maylee Meriweather, a pretty, charming, and thoroughly unsuitable woman who doesn't know a thing about high society...but she sure can kiss. But will Griffin be able to get past Maylee's lack of polish? And will Maylee be able to fall for a man that looks down on everything she's come from? In ROMANCING THE BILLIONAIRE, Jonathan Lyons, playboy, billionaire and adventurer, lives life on the edge. When he hears that his mentor, Dr Phineas DeWitt, had a secret journal that leads to a legendary artifact, Jonathan takes action. It stirs his blood, but it comes with a heady challenge: DeWitt's daughter Violet. She has what Jonathan needs. And she's not giving it up to the man who broke her heart. Violet is Jonathan's weakness - he's still in love despite their volatile breakup a decade ago. But Violet's memories have a sharper edge. She's never forgiven him for abandoning her. Or so she thought. When Jonathan's attentions turn seductive, she's in danger of falling for him all over again. And she can't help but wonder...does he really want her, or just what she's hiding? In ONE NIGHT WITH A BILLIONAIRE, Kylie may be a makeup artist to the stars, but she knows what it feels like to be overshadowed. Especially by her famous boss, the pop star Daphne. That's why she's stunned - and delighted - when one night at a party, she attracts the attention of a gorgeous stranger. But when Daphne decides she wants the handsome billionaire for herself, Cade Archer is suddenly off-limits for Kylie... Cade has known Daphne for years, and always wondered if she might be the right woman for him - even though she never gave him the time of day. But one sizzling night with Kylie has changed everything. So why is she suddenly avoiding him? Fortunately Cade is determined to get what he wants, and he'll do anything to show Kylie she can get everything she wants too... Want more irresistible romance? Look for the rest of
