Dental Composite Materials for Direct Restorations May 31 2022 This book covers both basic scientific and clinically relevant aspects of dental composite materials with a view to meeting the needs of researchers and practitioners. Following an introduction on their development, the composition of contemporary composites is analyzed. A chapter on polymerization explains the setting reactions and light sources available for light-cured composites. The quality of monomer-to-polymer conversion is a key factor for material properties. Polymerization shrinkage along with the associated stress remains among the most challenging issues regarding composite restorations. A new classification of dental composites is proposed to offer more clinically relevant ways of differentiating between commercially available materials. A review of specific types of composites provides an insight into their key issues. The potential biological issues of dental composites are reviewed in chapters on elution of leachable substances and cariogenicity of resin monomers. Clinical sections focus on material placement, finishing procedures, and the esthetics and clinical longevity of composite restorations. Bonding to tooth tissues is addressed in a separate chapter, as is the efficiency of various composite repair methods. The final chapter discusses future perspectives on dental composite materials.

Park Avenue Prince Mar 29 2022 THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself-I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me-I want to hold her against me and show her what she's been missing. When she makes a joke at my expense-I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their chemistry rolls of the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Espresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly." In Search of Middle Indonesia Mar 17 2021 The middle classes of Indonesia's provincial towns are not particularly rich yet nationally influential. This book examines them ethnographically. Rather than a market-friendly, liberal middle class, it finds a conservative petty bourgeoisie just out of poverty and skilled at politics. Please note that Sylvia Tidey's article (pp. 89-110) will only be available in the print edition of this book (9789004263000).

Ecophysiology and Responses of Plants under Salt Stress Dec 14 2020 This book will shed light on the effect of salt stress on plants development, proteomics, genomics, genetic engineering, and plant adaptations, among other topics. Understanding the molecular basis will be helpful in developing selection strategies for improving salinity tolerance. The book will cover around 25 chapters with contributors from all over the world.

CT- and MR-Guided Interventions in Radiology Jun 19 2021 Interventional radiology is an indispensable and still expanding area of modern medicine that encompasses numerous diagnostic and therapeutic procedures. The revised and extended second edition of this volume covers a broad range of non-vascular interventions guided by CT or MR imaging. Indications, materials, techniques, and results are all carefully discussed. A particularly comprehensive section is devoted to interventional oncology as the most rapidly growing branch of interventional radiology. In addition, detailed information is provided that will assist in establishing and developing an interventional service. This richly illustrated book will be a most valuable source of information and guidance for all radiologists who deal with non-vascular procedures.

The Essential Handbook of Treatment and Prevention of Alcohol Problems Sep 10 2020 The last three decades have seen an explosion of social, psychological and clinical research to identify effective strategies to prevent and treat alcohol-related problems. This "Essential Handbook" contains an updated selection of reviews of "what works" drawn from the critically acclaimed International Handbook of Alcohol Dependence and Problems. Selected specifically for health and other professionals, who need to provide effective responses in their work, these authoritative, science-based reviews are a distillation of the more practical elements, designed to save time for the busy practitioner.

Elijo elegir Oct 12 2020 ¿Puede la fotografía de un desconocido cambiarnos la vida para siempre? ¿Es posible que nos sintamos conectados con alguien solamente por su mirada? Eso es lo que le sucedió a Paula cuando vio el reportaje de la supermodelo Jenny Clause con Philip Jones. ¿Quién era ese hombre? ¿Por qué no podía dejar de mirarlo? ¿Y por qué de repente el mundo había dejado de girar? Había algo en él que la atraía de tal manera que la hacía desear saber continuamente cosas de él. Por eso, cuando Philip colgó en su Facebook que su empresa tenía un puesto vacante de secretaria de dirección, Paula no lo dudó y se presentó como candidata. Era su oportunidad y debía aprovecharla. Poniendo su vida del revés, viajó a Sidney para trabajar con el hombre que llevaba quitándole el sueño muchos días. Pero los caminos de rosas no existen y hay que aprender a caminar sorteando las dificultades, los pasados dolorosos y las estrictas normas impuestas. Ésta es una novela de amor y de pasión, de miedo y superación, pero sobre todo, una historia sobre la importancia de ser libre en nuestras elecciones, aunque ellas nos lleven a pasear entre espinas.

Miles de emociones con tu nombre Sep 03 2022 Me llamo Valentina y soy de La Rioja. Crecí entre viñedos y mi mundo era la bodega y Víctor. Imagino que te preguntarás quién es Víctor, y yo podría responderte muchas cosas, demasiadas, supongo, así que mejor opto por decirte que él fue todo. Recuerdo que de pequeña soñaba con que algún día trabajaríamos juntos en la bodega, bueno, eso y muchas cosas más, pero los sueños cambian y los míos lo hicieron para llevarme lejos de este terruño y, por supuesto, lejos de Víctor. Y ahora estoy aquí de nuevo, en casa, en mi pequeño trocito de mundo, pensando que él no estaría y resulta que, contra todo pronóstico, me encuentro frente a frente con el único hombre que provocó en mí miles de emociones. ¿Qué hace él aquí? ¿No estaba de viaje? ¿Qué puedo hacer? Supongo que la opción más lógica sería largarme, pero también podría quedarme y sostenerle la mirada, arriesgándome a que mi mundo se desmorone y que el fuego que un día sentí regrese con fuerza. Déjame que te invite a una copa de vino, ponte cómod@ y adéntrate en el primer volumen de la bilogía "Miles de emociones". DISFRUTA, VIBRA, SIENDE... ARDE.

Pregúntamelo ahora Aug 02 2022 "Hola, soy Luna y puedo jurar y perjurar que hasta ayer mi vida era casi perfecta. A mis treinta y un años, trabajo codo con codo con María Eugenia de la Rúa, una prestigiosa diseñadora del grupo D' Elkann, y tengo una relación con Rafa. ¿Qué más puedo pedir? Nada, sólo que mi vida siga tal y como está. Pero estaba claro que eso era pedirle demasiado al destino, que se las ingenió para venir a complicarme la existencia poniendo de nuevo frente a mí a Gael, el hombre que sacudió mi vida en el pasado y me volvió medio loca, o loca por completo, si soy sincera, y aunque creía que lo había superado, al parecer no lo he hecho... ¿Cómo se supone que voy a seguir con mi vida si él forma parte de ella? ¿Estará dispuesto a contestar mis preguntas de una vez? ¿Nos dará el destino la oportunidad que no nos dio años atrás? ¿Y por qué estoy cuestionándome todo eso si estoy con Rafa?" Si quieres conocer las respuestas a todas las dudas que atormentan a Luna déjate seducir por su divertida, sexy y apasionada historia que te mostrará que no hay coraza suficientemente dura capaz de soportar los envites del amor.

Tan irresistiblemente tú. Tan tú, tan nosotros, 1 Oct 04 2022 Nunca me han gustado los hombres más jóvenes que yo —no por nada, sino porque no son mi tipo— y, por supuesto, nunca me han gustado los niños a medio hacer —tampoco por nada, sino porque a mí me van más los maduritos interesantes—. Sin embargo, todo eso cambió un maldito bucólico fin de semana en el que él se cruzó en mi camino, con su pelo rubio, revuelto, sus ojos azules y esa sonrisa desdeñosa cargada de arrogancia que me ponía mala. Sí, en pasado, porque no sé en qué momento eso empezó a cambiar y pasé de verlo como a un crío insolente a pensar en él como en mi "chico de anuncio". Vaya por delante que me toca mucho las narices todo lo que siento cuando estoy a su lado, y ni te cuento lo que me joroba que me haga gracia o que no deje de pensar que es un encanto, porque, en serio, no quiero nada con él. Me llamo María Eugenia de la Rúa, voy a ser la diseñadora de Dior y esta es mi historia; bueno, en realidad, nuestra historia, por mucho que me fastidie reconocerlo. Una novela sexy y muy divertida con la que te darás cuenta de la importancia que tiene vivir el ahora, porque la vida siempre es más, mucho más, y nada debería frenarla.

Antibiotics and Antiseptics in Periodontal Therapy Feb 13 2021 Periodontal diseases are the major cause of tooth mortality in many industrialized countries and most developing nations. The significance of microorganisms in the development of virtually all types of periodontal disease is indisputable. This book is an encyclopedic collection of data from scientific papers and textbooks that form a sound basis for a thorough understanding of the antibiotics and antiseptics used in periodontal therapy. The prophylactic, systemic, and topical uses of antibiotics are discussed in detail, identifying the indications, advantages, disadvantages, and efficacy of each approach and regimen. The use of antiseptics is also carefully examined, with particular attention to the merits of different delivery methods and oral hygiene agents. The closing chapter addresses the role of non-steroidal anti-inflammatory drugs. This book will be of value to undergraduate and postgraduate dental students, dental hygienists, dental practitioners, and other associated professionals.

Descubriéndonos. A ciento cincuenta pulsaciones por minuto, 1 Oct 24 2021 Dos amigos nunca deberían besarse... ¿O sí? ¿Eres de las que piensan que no pasa nada o de las que opinan todo lo contrario? ¿Has besado alguna vez a tu mejor amigo? Y cuando digo «besar» no me refiero a un piquito de nada, sino a un beso en condiciones, de esos que crean fuegos artificiales sobre tu cabeza, convierten tus huesos en plastilina e incendian tu piel. Si aún no lo has hecho, no lo hagas; te aseguro que no es una buena idea, a no ser, claro está, que queráis cambiar de nivel, ya sabes, pasar de una gran amistad a algo más intenso. Me llamo Noe, vivo en Brooklyn, Nueva York, y comparto rellano con el que era mi mejor amigo, y digo «era» porque no sé si sigue siéndolo. Nos besamos, sí, y ahora nos estamos evitando a toda costa porque está claro que ninguno de los dos queremos cambiar de nivel, que no sabemos cómo mirarnos y que no tenemos ni idea de qué decirnos después del tremendo beso que nos dimos. Si esto fuera un libro, supongo que este sería un buen comienzo, pero se trata de mi vida: es lo que siento, lo que callo y lo que guardo, que es mucho, y no comienza con este beso, sino mucho antes.

Scandalous Jul 29 2019 They call him The Mute for a reason. Hard, cold and calculated, he rarely speaks. When he does, it's with disdain. When he does, his words aren't meant for me. When he does, my stomach flips and my world tilts on its axis. He is thirty-three. I am eighteen. He's a single dad and my father's business partner. I'm just a kid to him and his enemy's daughter. He's emotionally unavailable. And I am...feeling. Feeling things I shouldn't feel for him. Trent Rexroth is going to break my heart. The writing isn't just on the wall, it's inked on my soul. And yet, I can't stay away. A scandal is the last thing my family needs. But a scandal is what we're going to give them. And oh, what beautiful chaos it will be.

River of Forgiveness Jul 09 2020 “ i fear no fate(for you are my fate,my sweet)...” Painted against the backdrop of e.e.cummings poetry, Chopin’s Nocturnes, and the unleashed passions of the times, River of Forgiveness is a coming-of-age story set at the close of the Second World War. Eighteen-year-old Sydney Archumbault’s chance encounter with an older British stranger awakens her longings to the exuberant power of her one true love, forever altering the course of her life. Intrigued by this educated, artistic man, whom she later discovers is an escapee from an internment camp, Sydney impulsively embarks into a complex and tumultuous relationship, finding herself embroiled in a love that can never be.

Soñaré que te sueño Sep 30 2019 Me llamo Olivia. Mis padres nunca me han querido y jamás se han molestado en disimularlo, y yo, con los años, he terminado aceptándolo. Siempre he vivido según sus imposiciones y éstas me llevaron a él, a Roberto, mi profesor de matemáticas y mi amor. Una mirada fue suficiente para que calara en mi interior para siempre. Y con esa mirada llegaron los sueños, en los que dejaba de ser Olivia para convertirme en Marcela, en los que dejaba de ser una estudiante para ser una criada enamorada del señorito de la casa, y con mis sueños viví una historia de amor paralela a la mía con Roberto. Viví la historia de amor de Marcela y Juan. Si con Marcela supe el camino que recorrería, con Roberto descubrí mi cuerpo y viví el amor de una forma profunda, apasionada e intensa. Un amor que se alojó junto a mi corazón para no dejar de latir, inalterable y duradero a pesar de las tormentas, el fuerte viento y los días soleados. Pero el destino, caprichoso y cruel, truncó mis planes e ilusiones sumiéndome en la más completa oscuridad. Ese día dejé de soñar y de creer... hasta que la fortuna se alió conmigo de nuevo y todo cambió para mí. Si quieres vivir, sentir y soñar, déjate seducir por esta novela donde el amor rige cada uno de los pasos de las protagonistas guiándolos por el sendero de la vida, un sendero en el que todo es posible si son capaces de abrir su mente y su corazón.

The Root Canal Anatomy in Permanent Dentition May 19 2021 This book describes the most commonly methods used for the study of the internal anatomy of teeth and provides a complete review of the literature

concerning the current state of research employing contemporary imaging tools such as micro-CT and CBCT, which offer greater accuracy whether using qualitative or quantitative approaches. In order to facilitate the management of complex anatomic anomalies, specific clinical protocols and valuable practical tips are suggested. In addition, supplementary material consisting in high-quality videos and images of different anatomies obtained using micro-CT technology is made available to the reader. The book was planned and developed in collaboration with an international team comprising world-recognized researchers and experienced clinicians with expertise in the field. It will provide the readers with a thorough understanding of canal morphology and its variations in all groups of teeth, which is a basic prerequisite for the success of endodontic therapy.

Mechanisms Underlying Host-Microbiome Interactions in Pathophysiology of Human Diseases Feb 25 2022 Only recently have we begun to appreciate the role of microbiome in health and disease.

Environmental factors and change of life style including diet significantly shape human microbiome that in turn appears to modify gut barrier function affecting nutrient & electrolyte absorption and inflammation. Approaches that can reverse the gut dysbiosis represent as reasonable and novel strategies for restoring the balance between host and microbes. In the book, we offer summary and discussion on the advances in understanding of pathophysiological mechanisms of microbial host interactions in human diseases. We will not only discuss intestinal bacterial community, but also viruses, fungi and oral microbiome. Microbiome studies will facilitate diagnosis, functional studies, drug development and personalized medicine. Thus, this book will further highlight the microbiome in the context of health and disease, focusing on mechanistic concepts that underlie the complex relationships between host and microbes.

The Cambridge History of Sixteenth-Century Music Jun 27 2019 Part of the seminal Cambridge History of Music series, this volume departs from standard histories of early modern Western music in two important ways. First, it considers music as something primarily experienced by people in their daily lives, whether as musicians or listeners, and as something that happened in particular locations, and different intellectual and ideological contexts, rather than as a story of genres, individual counties, and composers and their works. Second, by constraining discussion within the limits of a 100-year timespan, the music culture of the sixteenth century is freed from its conventional (and tenuous) absorption within the abstraction of 'the Renaissance', and is understood in terms of recent developments in the broader narrative of this turbulent period of European history. Both an original take on a well-known period in early music and a key work of reference for scholars, this volume makes an important contribution to the history of music.

The Dangers of Deceiving a Viscount Aug 29 2019 Lady Phoebe Fairchild is well aware that the ton would be appalled to learn of a young lady of quality involved in a trade. Therefore, she resorts to selling her beautiful handmade gowns under a fictitious name: Madame Dupree. So when circumstances force her to visit the estate of William Darby, the Viscount of Summerfield, to design ball gowns for his sisters, she assumes Madame's identity. Phoebe's discomfort in her new position as hired help is nothing compared to her visceral attraction to the viscount himself. Heathenishly handsome and shamelessly seductive, Will invites her to be his mistress -- and Phoebe is shockingly tempted to accept. But as their desire for each other grows and the risk of exposure becomes even greater, Phoebe is in dire danger of losing her reputation, her livelihood -- and her chance of becoming the bride of the man whose passion has claimed her forever.

Kidnapping Ana Aug 10 2020 Dark Romance and BDSM with the Russian Mafia I never wanted Alek to become obsessed with me. Kidnapping ana I never wanted Alek to become obsessed with me. Tattooed, dangerous, leader of the Russian mafia ... and willing to take me at all costs. He wants to take my innocence, my virginity and make me his queen. And that is why I am where I am. Kidnapped by her enemies. Converted into a bargaining chip. Until he appeared to "set me free." She was still held captive, but in his hands and... safe. Until a certain point. Alek would never hurt me, but on the other hand, Alek would hurt anyone who dared to approach me. To anybody. My bodyguards aren't even allowed to look at me. At heart, he is still a six-foot tattooed assassin with pneumatic arms, but on the outside he can behave like a real gentleman. Or so I thought, until he grabbed my hair and told me to behave ... unless I wanted to be punished. Warning: A romantic and erotic crime novel set in the pink mafia, where Alek, leader of the underworld, saves Ana from her kidnapping, only to take her under his wing and make her his own prisoner, making her live an adventure of rediscovery and incursion in BDSM that will change your life forever.

Engineering Fundamentals: An Introduction to Engineering, SI Edition Jan 27 2022 Specifically designed as an introduction to the exciting world of engineering, ENGINEERING FUNDAMENTALS: AN INTRODUCTION TO ENGINEERING encourages students to become engineers and prepares them with a solid foundation in the fundamental principles and physical laws. The book begins with a discovery of what

engineers do as well as an inside look into the various areas of specialization. An explanation on good study habits and what it takes to succeed is included as well as an introduction to design and problem solving, communication, and ethics. Once this foundation is established, the book moves on to the basic physical concepts and laws that students will encounter regularly. The framework of this text teaches students that engineers apply physical and chemical laws and principles as well as mathematics to design, test, and supervise the production of millions of parts, products, and services that people use every day. By gaining problem solving skills and an understanding of fundamental principles, students are on their way to becoming analytical, detail-oriented, and creative engineers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Controlling Governments Apr 05 2020 How much influence do citizens have to control the government? What guides voters at election time? Why do governments survive? How do institutions modify the power of the people over politicians? The book combines academic analytical rigor with comparative analysis to identify how much information voters must have to select a politician for office, or for holding a government accountable; whether parties in power can help voters to control their governments; how different institutional arrangements influence voters' control; why politicians choose particular electoral systems; and what economic and social conditions may undermine not only governments, but democracy. Arguments are backed by vast macro and micro empirical evidence. There are cross-country comparisons and survey analyses of many countries. In every case there has been an attempt to integrate analytical arguments and empirical research. The goal is to shed new light on perplexing questions of positive democratic theory.

Encontrándonos. A ciento cincuenta pulsaciones por minuto, 2 Apr 29 2022 ¿Crees que todo lo que empezó con un beso continuará con un beso? Supongo que a estas alturas ya me conoces bastante, aunque sé que hay cosas que no entiendes sobre mí y que a veces, incluso, puedo llegar a caerte mal. De verdad que lo siento, pero no puedo evitar ser como soy. Ante dicha afirmación, Chase tendría mucho que decir, ¿verdad? En resumen, empiezo esta etapa de mi vida con mucha incertidumbre y con una sola certeza: me he enamorado de él, aunque no se lo haya dicho. Ada, mi mejor amiga, me ha aconsejado que recorra este camino con sinceridad, pero para mí no es tan fácil liberar ciertas palabras, abrir mi pecho y mostrar cómo soy en realidad, ya lo sabes. ¿Qué va a pasar? No tengo ni la más remota idea; depende de Chase, de ella y también de mí, porque he descubierto al hombre que era mi amigo y me temo que ha llegado el momento de perdernos o encontrarnos para siempre. Ojalá nos encontremos. Ojalá sepamos hacerlo. Ojalá le permita hacerlo.

Miles de emociones con nuestro nombre Jul 01 2022 Dicen que Nueva York es la ciudad de los rascacielos, de las grandes avenidas y el escenario de miles de películas. Yo añadiría que también es la ciudad de los sueños, esos que todos esperamos cumplir algún día, incluso yo misma, aunque a veces lo olvide cuando otro sueño, uno más poderoso y que lleva su nombre, llega para ensombrecer a éste. Si me quedaré hasta convertirme en la top model que deseo ser es una incógnita para mí; lo que sí tengo claro es que ahora estoy aquí y que voy a dejar mis dientes marcados en esta gran manzana o, al menos, voy a intentarlo. Y mientras lo hago, su mirada, su sonrisa y su recuerdo caminarán a mi lado por las calles de esta ciudad y del mundo, para recordarme lo que pudimos tener y no tenemos, para recordarme quiénes fuimos y quiénes no vamos a ser. ¿Volveremos a vernos algún día? ¿Volveré a sentir ese fuego que sólo él era capaz de prender en mi piel y que ardía en mi interior? ¿Volveré a vibrar con una caricia suya? O, por el contrario, ¿permitiré que todas estas emociones que llenaban mi pecho con su nombre mueran con el veneno del olvido? Déjame que te invite a una copa de vino, ponte cómod@ y disfruta del desenlace de nuestra historia. DISFRUTA, VIBRA, SIENTE... ARDE.

Diseases of the Abdomen and Pelvis 2018-2021 Nov 12 2020 This open access book deals with imaging of the abdomen and pelvis, an area that has seen considerable advances over the past several years, driven by clinical as well as technological developments. The respective chapters, written by internationally respected experts in their fields, focus on imaging diagnosis and interventional therapies in abdominal and pelvic disease; they cover all relevant imaging modalities, including magnetic resonance imaging, computed tomography, and positron emission tomography. As such, the book offers a comprehensive review of the state of the art in imaging of the abdomen and pelvis. It will be of interest to general radiologists, radiology residents, interventional radiologists, and clinicians from other specialties who want to update their knowledge in this area.

Tan insoportablemente nosotros. Tan tú, tan nosotros, 2 Nov 05 2022 Nunca me gustaron los hombres más jóvenes que yo, hasta que él apareció y mi vida se llenó con los colores de su mirada y con todo lo que me hacía sentir cuando estaba a su lado. Sin embargo, lo que yo creía que iba a ser un «para siempre» terminó siendo un «adiós» rotundo, sin explicaciones ni contemplaciones. ¿Por qué? No lo sé. Podría decirte que yo era de las que pensaban que es necesario saber por qué te dejan, pero cuando te hacen tanto daño, el «motivo» es lo de menos y lo único realmente importante es lo que te duele, tus lágrimas y lo perdida que te sientes. Ahora tengo que reconstruir mi vida desde cero, he de buscar otros colores y emplear otros trazos, y sé que no va a ser fácil, pero una vez dije que lo evidente y lo sencillo era para todos, y lo difícil y lo arriesgado, para mí. Y ha llegado el momento de demostrarlo, aunque ahora esté llorando... Nacemos llorando, cogiendo aire, y eso es justo lo que voy a hacer. Coger aire, superarlo y seguir. Me llamo María Eugenia de la Rúa, voy a ser la diseñadora de Dior y esta es mi historia. Una novela cargada de emoción y sentimiento, escrita a fuego lento entre estrellas y constelaciones, entre lágrimas y sonrisas, porque la vida sigue siendo más, mucho más; solo hay que recordarlo.

Good Girl Mar 05 2020 I've always been a good girl. I work hard, I follow the rules, I always achieve my goals. But sometimes good girls want things that aren't good for them. Or someone who isn't good for them. Like their new boss. And sometimes they do very bad things to get his attention. Like sell their virginity in an auction. Who knew he'd be so very, very mad? Maybe this was not my best laid plan...
