Honky Tonk Christmas Sep 26 2019 One cowboy, one bar, one hell of a holiday! Praise for Carolyn Brown's country music romances: "You won't want to miss this boot scootin' contemporary full of sexy cowboys and sassy women."-The Romance Studio (My Give a Damn's Busted) She means business... Sharlene Waverly is determined to have the "new and improved" Honky Tonk up and running before the holiday. For that, she'll need Holt Jackson, the best darn carpenter in the state. But his warm, whisky-colored eyes make her insides melt, and before she knows it, she's sharing her darkest secrets and talking about the nightmares... He's determined to keep things professional... Holt Jackson needs the job at the Honky Tonk, but is completely unprepared to handle the beautiful new bar owner he's working for. Sharlene and Holt try like crazy to deny the sparks flying between them, but their love may just be the best Christmas present either one of them ever got. Praise for I Love This Bar: "Heart...sass...a lot of sparks and romance...country music. What more can I say? I really had fun with this book."-Red-Headed Book Child "Guaranteed to leave you countrified and satisfied!"-Love Romance Passion

Four Signs of a Dynamic Catholic Dec 22 2021 As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually. If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics? Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in his groundbreaking new book, and the simplicity of what he discovers will amaze you. Four things make the difference between highly engaged Catholics and disengaged Catholics: the four signs of a Dynamic Catholic. Whether you are ready to let God take your spiritual life to the next level or want to help reinvigorate your parish, The Four Signs of a Dynamic Catholic promises to take you on a journey that will help you live out the genius of Catholicism in your everyday life.

Caught in the Storm Nov 28 2019 Love can be blinding and by the time the truth shines through, it's too late to escape. Fame. Fortune. Success. Is that too much to ask? All I need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be. Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control. Over my heart. My career. My entire life. My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone. Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series.

The Descendants Complete Series (Books 1, 1.5, 2, 3) Jul 05 2020 A Discovery of Witches meets Twilight in this mesmerizing paranormal romance... Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, toward a confrontation that will decide the fate of two worlds... The Widow Waltz Oct 27 2019 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Allegiance Jul 25 2019 Two Army couples living in a small North Carolina town face the destruction of their relationships after a secret is revealed.

Applied Nonparametric Statistics Dec 10 2020 This book covers the most commonly used nonparametric statistical techniques by emphasizing applications rather than theory. Exercises and examples are drawn from various disciplines including agriculture, biology, sociology, education, psychology, medicine, business, geology, and anthropology. The applications of techniques are presented in a step-by-step format that is repeated for all illustrative examples. Concepts are reinforced with many references to statistical literature to show the relevance to real-world problems. Chapters contain references of available computer programs and software packages that apply to methods presented in the book.

Ties That Bind, Ties That Break Aug 18 2021 Set in China in 1900s the story of a young girl who defied tradition by refusing to have her feet bound and in doing so changed the course of her life forever.

Barcelona Dreaming Sep 30 2022 Set on the eve of the financial crash of 2008, this evocative novel is made up of three stories linked by time and place, and also by the moving, unexpected interactions of a rich cast of characters. *Barcelona Dreaming* is narrated, in turn, by an English woman who runs a gift shop, an alcoholic jazz pianist, and a translator tormented by unrequited love, all of whose lives will be changed forever. Underpinning the novel, and casting a long shadow, is a crime committed against a young Moroccan immigrant. Exploring themes of addiction, racism, celebrity, immigration, and self-delusion, and fueled by a longing for the unattainable and a nostalgia for what is about to be lost, *Barcelona Dreaming* is a love letter to one of the world's most beautiful cities and a powerful and poignant fable for our uncertain times.

A Measure of Mercy (Home to Blessing Book #1) May 03 2020 Eighteen-year-old Astrid Bjorklund has always dreamed of becoming a doctor. She had intended to study medicine in Chicago or Grand Forks, but when a disaster wiped out a major portion of her family's income, Astrid stayed home instead, receiving hands-on training from Dr. Elizabeth. Joshua Landsverk left *Blessing* two years ago, but he's never forgotten Astrid. Returning to town, he seeks to court her. Astrid is attracted to him, and when the opportunity unexpectedly opens for her to go to Chicago for medical training, she finds it difficult to leave. Love blossoms through their letters, but upon arriving back home, she makes a heartbreaking discovery. Will she have to give up love to pursue her dream?

Death Waits in the Dark Oct 08 2020 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

I'm Not Sleepy! Apr 25 2022 Baby Owl has stayed up all night, but he's definitely NOT sleepy. So why do all the other animals in the forest think it's past his bedtime? He's not stretching, after all, he's just exercising his wings. And he's only yawning because he's bored – owls need a lot of excitement, you know. This comic tale of a toddler who isn't quite ready for bed will be a sure-fire hit with children – and parents!

Ancient Greece Mar 13 2021 This book presents, in an innovative and effective way, a detailed coverage of Greek history from the period of colonisation through to the death of Alexander the Great. A prologue introduces the reader to the various types of source material used by historians, and wherever possible the most relevant examples of this - both written and archaeological - have been provided or referred to, giving the benefit of firsthand contact with the sources. The text would be used most effectively in conjunction with the most recent publication of the written sources. The book contains many photographs, maps and diagrams, and includes time lines, summaries, mapping exercises and study questions through which the reader comes to grip with the major issues. This is not only an excellent preparation for examinations in Ancient History, but also a very readable and entertaining account of the main periods in the history of ancient Greece.

simple butt joints to build strong cabinets quickly • Customize your cabinets' looks with a variety of door styles, countertops and finishes Page after page, Danny Proulx proves that you can build your own beautiful kitchen cabinets.

To My Arrogant Boss Apr 01 2020 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

The Bread of Angels Aug 30 2022 A riveting memoir about one woman's journey into Syria under the Baathist regime and an unexpected love story between two strangers searching for meaning. When Stephanie Saldaña arrives in Damascus, she is running away from a broken heart and a haunted family history that she has crossed the world to escape. Yet as she moves into a tumbling Ottoman house in the heart of the Old City, she is unprepared for the complex world that awaits her: an ancient capital where Sunni and Shia Muslims, Christians, Alawites, Kurds, and Palestinian and Iraqi refugees share a fragile co-existence. Soon she is stumbling through the Arabic language, fielding interviews from the secret police, and struggling to make the city her own. But as the political climate darkens and the war in neighboring Iraq threatens to spill over, she flees to an ancient Christian monastery carved into the desert cliffs, where she is forced to confront the life she left behind. Soon she will meet a series of improbable teachers: an iconoclastic Italian priest, a famous female Muslim sheikh, a wounded Iraqi refugee, and Frédéric, a young French novice monk who becomes her best friend. What follows is a tender story of a woman falling in love: with God, with her own life, with a country on the brink of chaos, and with a man she knows she can never have. Wise, funny, and heartbreaking, *The Bread of Angels* celebrates the hope that appears even in war, the surprising places we can call home, and the possibility of true love.

Hammered Jun 23 2019 I didn't mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town's bad boy is standing at the altar about to marry the world's most evil kindergarten teacher. The next, he's passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't stand by and watch Jace O'Dell be blackmailed into a loveless marriage. And besides, what's a little kidnapping between friends? Okay, so maybe we're not just friends... And maybe I can't quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I'm blaming the moonshine. Even though the only thing I'm hammered on when it comes to Jace is love—straight up, no chaser.

The Book of Automatic Drawing Oct 20 2021 OUT OF THE FLESH of our mothers come dreams and memories of the Gods. Of other kind than the normal inducement of interest and increasing skill, there exists a continual pressure upon the artist of which he is sometimes partially conscious but rarely entirely aware. He learns early or late in his career that power of literal reproduction (such as that of the photographic apparatus) is not more than slightly useful to him. He is compelled to find out from his artist predecessors the existence, in representation of real form, of super-sessions of immediate accuracies; he discovers within himself a selective conscience and he is satisfied, normally, in large measure by the extensive field afforded by this broadened and simplified beyond this is a region and that a much greater one, for exploration. The objective understanding, as we see, has to be attacked by the artist and a subconscious method, for correction of conscious visual accuracy, must be used. No amount of manual skill and consciousness of error will produce good drawing. A recent book on drawing by a well-known painter is a case in point; there the examples of masters of draughtsmanship may be compared with the painter-author's own, side by side, and the futility of mere skill and interest examined. Therefore to proceed further, it is necessary to dispose of the subject in art also (that is to say the subject in the illustrative or complex sense). Thus to clear the mind of inessentials permits through a clear and transparent medium, without prepossessions of any kind, the most definite and simple forms and ideas to attain expression.

Castle on the Rise Aug 25 2019 Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for *Castle on the Rise*: "Enchanting and mesmerizing!" —PATTI CALLAHAN, *New York Times* bestselling author of *Becoming Mrs. Lewis* "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and

an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words)

The Pariah Jan 29 2020 'A gritty, heart-pounding tale of betrayal and bloody vengeance. I loved every single word' John Gwynne The Pariah begins a new epic fantasy series of action, intrigue and magic from Anthony Ryan, a master storyteller who has taken the fantasy world by storm. Born into the troubled kingdom of Albermaine, Alwyn Scribe is raised as an outlaw. Quick of wit and deft with a blade, Alwyn is content with the freedom of the woods and the comradeship of his fellow thieves. But an act of betrayal sets him on a new path - one of blood and vengeance, which eventually leads him to a soldier's life in the king's army. Fighting under the command of Lady Evadine Courlain, a noblewoman beset by visions of a demonic apocalypse, Alwyn must survive war and the deadly intrigues of the nobility if he hopes to claim his vengeance. But as dark forces, both human and arcane, gather to oppose Evadine's rise, Alwyn faces a choice: can he be a warrior, or will he always be an outlaw? 'The Pariah is Anthony Ryan at his best. A fast-paced, brutal fantasy novel with larger-than-life characters and a plot full of intrigue and suspense' Grimdark Magazine

What Is Quantum Mechanics? Sep 18 2021 What is Quantum Mechanics? A Physics Adventure comprehensively traces the historical development of quantum mechanics, treating a complex subject in a light-hearted, user-friendly manner. It not only introduces the reader to the concepts of quantum mechanics, but also tells the story behind the theories. It is easy to understand for beginners because it was written by people going through the learning process themselves. Yet, even the seasoned scientist will enjoy the controversy and drama as the development of physics unfolds in the book. Dr. Yoichiro Nambu, 2008 Nobel Prize Winner in Physics, served as a senior adviser to the student authors of What is Quantum Mechanics? A Physics Adventure at the Transnational College of LEX throughout their journey of discovery.

Outrage on Gallows Hill Mar 01 2020 The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way – stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night.

Then He Happened Dec 30 2019 Jason is a cynical rich playboy. He doesn't take life seriously, He doesn't believe in settling down. Eileen's thirtieth birthday is almost here. But can Jason give up his playboy lifestyle to become what Eileen needs?

Ancient Rome Feb 09 2021 This text presents a detailed coverage of three crucial centuries in the history of the Roman people: the second and first centuries BC and the first century AD. It examines major issues including the development of the Roman republican form of government, Rome's expansion in the Mediterranean, the decline of the republic, the founding of the principate and the Julio-Claudian period. The introductory chapters will familiarise students with the source material and give them an understanding of those events and influences which played a large part in moulding the character of the Romans and the nature of their institutions. These chapters are essential reading for any student who wishes to understand clearly the complicated political history of the second and first centuries BC. The ancient sources and archaeological material serve both to describe events and to allow students to evaluate and interpret historical documents and pictorial evidence. Throughout the text exercises enable students to recognise differing interpretations, distinguish between fact and opinion and discern bias.
