**Teenage Writings** Aug 10 2020 The young Jane Austen was a precocious reader, devouring pulp fiction and classic literature, both of which she soon began to imitate and parody. Three volumes of her vivacious teenage writing survive. Devices and themes which appear subtly in her later fiction run riot here: drunkenness, brawling, sexual misdemeanour, theft, and even murder.

**Defending the Free Market** Oct 24 2021 The Left has seized on our economic troubles as an excuse to "blame the rich guy" and paint a picture of capitalism and the free market as selfish, greedy, and cruel. Democrats in Congress and "Occupy" protesters across the country assert that the free market is not only unforgiving, it's morally corrupt. According to President Obama and his allies, only by allowing the government to heavily control and regulate business and by redistributing the wealth can we ensure fairness and compassion. Exactly the opposite is true, says Father Robert A. Sirico in his thought-provoking new book, *The Moral Case for a Free Economy*. Father Sirico argues that a free economy actually promotes charity, selflessness, and kindness. And in *The Moral Case for a Free Economy*, he shows why free-market capitalism is not only the best way to ensure individual success and national prosperity but is also the surest route to a moral and socially-just society. In *The Moral Case for a Free Economy*, Father Sirico shows: Why we can't have freedom without a free economy and why the best way to help the poor is to start a business Why charity works—but welfare doesn't How Father Sirico himself converted from being a leftist colleague of Jane Fonda and Tom Hayden to recognizing the merits of a free economy In this heated presidential election year, the Left will argue that capitalism may produce winners, but it is cruel and unfair. But as Sirico proves in *The Moral Case for a Free Economy*, capitalism does not simply provide opportunity for material success, but it ensures a more ethical and moral society as well.

[Theodore Roosevelt, One Day of His Life: Reconstructed from Contemporaneous Accounts of His Political Campaign of 1912 and Prepared as a Souvenir of T](#) Nov 24 2021 Excerpt from Theodore Roosevelt, *One Day of His Life: Reconstructed From Contemporaneous Accounts of His Political Campaign of 1912 and Prepared as a Souvenir of the Third Annual Dinner of the Roosevelt Association of Jersey City* Theodore Roosevelt's veneration for Abraham Lincoln was one of the passions of his life; and so it was singularly appropriate that the movement to publicly perpetuate the memory of Roosevelt on the part of the people of Jersey City originated in the councils of our own time-honored Lincoln Association. Mr. Roosevelt's death occurred January 6, 1919; five days later, a committee that was then at work on the annual Lincoln celebration, Robert A. Alberts, Hon. Marshall Van Winkle, Clarence M. Owens, Dr. G. K. Dickinson and W. H. Richardson, was in session at Mr. Alberts' residence. The founding of a similar organization designed for the purpose of translating Theodore Roosevelt into our own citizenship was propounded by Mr. Alberts. So far as we know, our Lincoln Association was the first in the country to recognize the historic and idealistic value of such an organization with the character of Abraham Lincoln as its background; we believed when the Roosevelt Association was proposed, on January 11, 1919, that we were the first to enter into a similar patriotic compact to reverently remember Theodore Roosevelt. Mrs. Henry A. Wise Wood, Vice-President of the Woman's Roosevelt Memorial Association, courteously advises us that while her husband was attending Col. Roosevelt's funeral on January 9th, 1919, she and Mrs. Wm. Curtiss Demarest were telephoning friends to enlist them in that organization. It is a pleasure to yield our claim for priority into the hands of so capable and energetic a group of splendid and purposeful women. At the time, Mr. Alberts was president of the Lincoln Association and deeply involved with the details of our approaching annual dinner, an affair which has become one of the historic celebrations of the city. Another impetus was given to the progress of the new organization during a meeting of the Bergen Lodge Realty Company, February 11, 1919, when the following were present: George E. Bailey, Thos. H. Hall, Howard B. Jackson, Richard A. Lawless, Edward H. Leetch, Wilbur E. Mallalieu, Theodore F. Merseles, Donald J. Sargent, Chas. L. Simpson, Dr. Henry Spence, Chas. V. Tuthill and Geo. C. **Oscar** Jul 09 2020 'The Book of the Year, perhaps of the decade, has to be Matthew Sturgis's Oscar' TLS, Books of the Year. NOMINATED FOR THE WOLFSON HISTORY PRIZE 2019. A SUNDAY TIMES BOOK OF THE YEAR. 'Simply the best modern biography of Wilde ... A terrific achievement' Evening Standard. 'Page-turning ... Vivid and desperately moving. However much you think you know Wilde, this book will absorb and entertain you' Sunday Times. 'Wonderfully exciting ... Sturgis's great achievement is to take on board his great flurry of contradictions' Craig Brown, Mail on Sunday. '[Sturgis] is a tremendous orchestrator of material, fastidious, unhurried, indefatigable' Observer. 'Oscar Wilde is more fashionable than ever ... Sturgis's account of the hearing at the Old Bailey is as gripping as it is grim' Guardian. 'The Book of the Year, perhaps of the decade, has to be Matthew Sturgis's Oscar which captures the wit, the love-ability, the dramatic genius, the insane self-destructiveness, the originality of Wilde ... [Sturgis] is the greatest chronicler of the 1890s we have ever had' TLS, Books of the Year. Oscar Wilde's life - like his wit - was alive with paradox. He was both an early exponent and a victim of 'celebrity culture': famous for being famous, he was lauded and ridiculed in equal measure. His achievements were frequently downplayed, his successes resented. He had a genius for comedy but strove to write tragedies. He was an unabashed snob who nevertheless delighted in exposing the faults of society. He affected a dandified disdain but was prone to great acts of kindness. Although happily married, he became a passionate lover of men and - at the very peak of his success - brought disaster upon himself. He disparaged authority, yet went to the law to defend his love for Lord Alfred Douglas. Having delighted in fashionable throngs, Wilde died almost alone: barely a dozen people were at his graveside. Yet despite this ruinous end, Wilde's star continues to shine brightly. His was a life of quite extraordinary drama. Above all, his flamboyant refusal to conform to the social and sexual orthodoxies of his day make him a hero and an inspiration to all who seek to challenge convention. In the first major biography of Oscar Wilde in thirty years, Matthew Sturgis draws on a wealth of new material and fresh research to place the man firmly in the context of his times. He brings alive the distinctive mood and characters of the fin de siècle in the richest and most compelling portrait of Wilde to date.

*Who Cooked Adam Smith's Dinner?* Aug 29 2019 Adam Smith, the founder of modern economics, believed that our actions stem from self-interest and the world turns because of financial gain. But every night Adam Smith's mother served him his dinner, not out of self-interest but out of love. Today, economics focuses on self-interest and excludes our other motivations. It disregards the unpaid work of mothering, caring, cleaning and cooking and its influence has spread from the market to how we shop, think and date. In this engaging takedown of the economics that has failed us, Katrine Maral journeys from Adam Smith's dinner table to the recent financial crisis and shows us how different, how much better, things could be.

Samuel Johnson and the Art of Sinking 1709-1791 Mar 05 2020 Johnson's centrality in the late eighteenth century makes his fretfulness about the social and aesthetic boundaries of writing especially fertile and influential. This book suggests that literary taxonomies, inventories, and canons simultaneously construct and reject a hierarchy of ethical as well as aesthetic values, and examines how figures of cultural authority conceive of their relationships to and with the margins of writing and of society.

*Printer's Error* Sep 10 2020 A funny and entertaining history of printed books as told through absurd moments in the lives of authors and printers, collected by television's favorite rare-book expert from HISTORY's hit series Pawn Stars. Since the Gutenberg Bible first went on sale in 1455, printing has been viewed as one of the highest achievements of human innovation. But the march of progress hasn't been smooth; downright bizarre is more like it. Printer's Error chronicles some of the strangest and most humorous episodes in the history of Western printing, and makes clear that we've succeeded despite ourselves. Rare-book expert Rebecca Romney and author J. P. Romney take us from monasteries and museums to auction houses and libraries to introduce curious episodes in the history of print that have had a profound impact on our world. Take, for example, the Gutenberg Bible. While the book is regarded as the first printed work in the Western world, Gutenberg's name doesn't appear anywhere on it. Today, Johannes Gutenberg is recognized as the father of Western printing. But for the first few hundred years after the invention of the printing press, no one knew who printed the first book. This long-standing mystery took researchers down a labyrinth of ancient archives and libraries, and unearthed surprising details, such as the fact that Gutenberg's financier sued him, repossessed his printing equipment, and started his own printing business afterward. Eventually the first printed

book was tracked to the library of Cardinal Mazarin in France, and Gutenberg's forty-two-line Bible was finally credited to him, thus ensuring Gutenberg's name would be remembered by middle-school students worldwide. Like the works of Sarah Vowell, John Hodgman, and Ken Jennings, Printer's Error is a rollicking ride through the annals of time and the printed word.

**General MacArthur Wisdom and Visions** Sep 30 2019 MacArthur's supremacy as a true conversationalist is readily documented. This work on the wisdom and sayings of MacArthur is presented as a new-classicist document in that almost every item listed came from the mouth of General MacArthur and from his writings. He wrote almost all of his own speeches with eloquence in all of them. These speeches stand out as noteworthy because they were made immediately after periods of great historical significance. In these speeches he seemed to be speaking strictly from his heart. Regardless of the individual's attitude toward politics, religion, military or civilian service, his words sound spiritual and practical.

**Victorian England's Bestselling Author** Jul 29 2019 George W.M. Reynolds (1814–79) was one of the biggest-selling novelists of the Victorian era. He was the author of over 58 novels and short stories and his “penny blood” *The Mysteries of London*, serialised in weekly numbers between 1844 and 1848, sold over a million copies. A controversial figure in his lifetime, Reynolds's *Mysteries*, and its follow-up *The Mysteries of the Court of London* (1849–56), contained tales of crime, vice, and highly sexualised scenes. For this reason Charles Dickens remarked that Reynolds's name was one “with which no lady's, and no gentleman's, should be associated.” Yet Reynolds was much more than just a novelist; he was lauded by the working classes as their champion and campaigned for universal suffrage. To further the working classes' cause, he established two newspapers: Reynolds's *Political Instructor* and Reynolds's *Weekly Newspaper*. The latter newspaper, as Karl Marx recognized, became the principal organ of radical and labour politics. This book provides a biography of Reynolds and reproduces his editorials from Reynolds's *Political Instructor* as well as excerpts from his fiction.
