Bridge of Spies Dec 26 2021 The dramatic events behind the film *Bridge of Spies*. *Bridge of Spies* is a gripping, entertaining, hair-raising and comical story, which moves effortlessly from the hardware of high-flying planes and new missiles to the geopolitics of the nuclear stand-off and through the poignant personal stories of its central protagonists: Powers, the all-American hero, blacklisted for not having killed himself on his descent to earth; a KGB spy who has spent aimless and lonely years achieving nothing in the US; and the opposing leaders Khrushchev and Eisenhower, both trapped in a spiral of confrontation neither wants. Telling the true story that inspired Le Carré's famous scene, *Bridge of Spies* is a brilliant take on the absurdity and heroism of the Cold War days that will appeal to a new generation of readers unfamiliar with the history but drawn in by the compelling and vividly recreated narrative.

Light and Darkness Oct 12 2020 "Japan's preeminent modern novelist, Natsume Sôseki (1867-1916), may be better known for his works of fiction *Kokoro*, *Botchan*, and *I Am a Cat*, than for his last novel, *Meian*, uncompleted at his death, which remains something of an enigma -- a neglected masterpiece. A simple plot summary doesn't do it justice: the marriage of Tsuda and O-Nobu is threatened when Kobayashi and others begin dropping hints about another woman. Tsuda departs on a trip to rendezvous with the woman in question, Kiyoko, his former fiancée. The novel is a study of human character, a marriage tested, and what it means to be an individual in the modern world." -- Amazon.com

Louisiana Coffee ... with Lots of Cream Feb 25 2022 Louisiana Coffeewith lots of cream is Dr. Betty Reynolds fifth book to be published. Not surprisingly, this book is not about coffee, nor is it about cream. Instead, it is a delightful medley of intriguing tales covering four generations of a New Orleans Creole family. Since Creole usually denotes a mixing of bloods, the color of their skin can be as varied as the color of ones coffee ranging from dark, dark chocolate to the lightest of rich cream. This fictional memoir appropriately starts a hundred years ago in New Orleans the home of the family matriarch, Bertha Mayberry. Berthas story is a mysterious one that she preferred to be kept locked among other family secrets. She was particularly sensitive about having to reveal her misfortune of being trapped in a bordello when she first arrived in New Orleans as a young girl. Her romantic rescue ended in tragedy, but she did transcend in the end and married a popular Black jazz musician named William Sweetwater Lewis. Together they gained respectability by working hard and providing their five daughters with a good education, a passion for music, and a young life filled with parties and gala events in a city that was known for them. Berthas children as well as her childrens children follow their own paths in choosing where and how they will live out their lives. Their accounts of triumphs and mishaps take you on a fascinating journey to experience the mysteries of black magic in the Louisiana swamps, a numbers racket in Detroit and the casinos in Las Vegas when the mob was in control. Some leave the safety of their ancestral home on Bourbon Street to carve out new lives in other far-away places such as the Jersey Shores, Philadelphia, or New York. Whatever their destination, each member of the Lewis clan brings to the saga an interesting storyline that shares his/her unique motivations, desires and actions that sometimes lead to less than favorable consequences. Louisiana Coffeemis meant to inform, rather than to alarm. It is a tell-all fiction that might open some eyes as what goes on in a different world on the other side of the cultural divide.

Congressional Record Nov 12 2020 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Private Lives of Pastors' Wives Oct 31 2019 Pastors' wives have often been viewed as "women behind the scenes", unnoticed and unappreciated. But the stories of these 14 women--from Katie Luther to Jill Briscoe--show that pastors' wives through the ages have played an essential role in the ministry of the church.

A More Perfect Union Jun 27 2019 Hana Schank had never given much thought to her wedding, or even really imagined herself married, so when she found herself suddenly sporting a brand-new engagement ring she assumed planning a small, low-key wedding would be no big deal. But soon she finds herself adrift in Wedding Land, a world where all brides are expected to want to look like Cinderella, where women plan weddings with fantasy butterfly themes, where a woman's wedding is, without question, the Happiest Day of Her Life. Despite her best efforts not to become a Bridezilla, Hana finds herself transformed from a thirty-year-old woman with a 401(k) into a nearly unrecognizable version of herself as she spends weeks crafting save-the-date cards, worries about matching her cocktails to her wedding colors, and obsessively reads Martha Stewart Weddings magazine. She decides that, if she is going to follow traditions like wearing white and walking down the aisle with flowers, she at least wants to understand why. In her search she turns up interesting wedding facts: bridesmaids, for instance, were originally recruited to confuse evil spirits. Ultimately, she casts a critical eye on the \$72 billion wedding industry, from the women at wedding websites who cackle over the etiquette missteps of others to wedding magazines that provide checklists of 187 tasks to plan the perfect wedding, suggesting that to have anything less is to fail as a bride, as a woman, as a wife. Part confessional memoir, part social critique, *A More Perfect Union* chronicles a year in Wedding Land, capturing as it does not only the stresses but the undoubted joys of becoming a bride.

Corporations Have Almost as Many Constitutional Rights as Individuals Nov 05 2022 This book, which will be of interest to teachers, students and scholars of constitutional and business law, explains how, over the past 225 years, US Supreme Court decisions have enshrined corporations with fundamental constitutional rights and transformed those rights from individual freedoms to corporate entitlements. This is a fascinating story that delineates which fundamental constitutional rights accorded to individuals have been extended to corporations and which have not, and parses the US Supreme Court decisions extending constitutional protections to corporations. The book also shows how the views of the Founders have been altered by these decisions, and demonstrates how corporations, like individuals, have used their constitutional protections to evade government regulations. Telling this story in a clear and uncomplicated way underscores how intriguing and compelling the ebb and flow and evolution and retreat of fundamental constitutional rights is, from the time of the Founders to the twenty-first century.
