Christmas in the Cotswolds Sep 22 2021 A heart-warming Christmas romance, perfect for fans of Cressida McLaughlin and Holly Martin. Curl up with this delightfully festive short story this Christmas. Izzie Spencer-Harris, owner of the Cotswold Art and Craft Centre, is due to host the prestigious Cotswold Choir's annual Christmas carol

concert in her beautiful converted church. Or at least she was, until a storm smashed a hole right through the chancel roof! Days from Christmas, Izzie suddenly finds herself up to her neck in DIY, with her last dodgy workman having walked off the job. She does the only thing she can... calls in her best friend Megan to help. Leaving Peggy and Scott to run Pickwicks Café in her absence, Megan heads to the Cotswolds for Christmas. Within minutes of her arrival, she finds herself hunting down anyone willing to take on extra work so close to Christmas. It seems the only person available to help is Joseph Parker - a carpenter who, while admittedly gorgeous, seems to have ulterior motives for everything he does... With Izzie's bossy mother, Lady Spencer-Harris, causing her problems at every turn, an accident at work causing yet more delays, and the date for the concert drawing ever nearer, it's going to take a lot more than Mrs Vickers' powerful mulled wine to make sure everything is all right on the night... Christmas Heat Nov 24 2021 TYLERI knew being an omega would get me fired one day, I just never thought hiding it would be the excuse they needed. Irony, you suck. For years I was their best employee, right up until their new alpha hire smelled me in heat. I could've kept my job by playing his game, but I've spent my whole life running from my biology. I have principles. I also have bills. Which is the only reason my desperate search for a roommate ended with a grizzled alpha veteran, Stefan. Brooding and damaged from years of battle. My biology and I are not on speaking terms now. But who needs words when you live inches from an alpha who looks like that? I was just kidding myself, pretending it wasn't inevitable, our wild night of passion that ended with me pregnant and freaking out. And kicking him out. Look, mistakes were made. Now I've got a new job with tons of stress, a baby on the way and a wannabe mate who doesn't know he's gonna be a dad. All because I'm paranoid he's gonna take the baby and leave me. The way everyone else has. Maybe its why I don't listen when he tells me my new job is shady. Why I'm so eager to prove him wrong. To prove myself right. Except I hardly ever am... STEFANI was the best of the best, and now I'm nothing at all. A broken alpha who can't even get his omega roommate to look at him with need. Desire. Hunger. I don't know why I thought things would be different with Tyler, but I did. There was an undercurrent to the way he avoided me in the mornings. A tension when he said he didn't need or want an alpha. Want me. Or so I thought, but one frantic, amazing night together and its like he can't even stand to look at me now. I try and keep my distance. Give him what he wants, even if that's not me. But something about his new job pings all my alarms. Instincts that've kept me alive all these years. I wish his work was everything he wants it to be, but deep down I know better. I just don't know how to convince him before its too late... This 50,000 word mpreg novel about wounded werewolves has a HEA under the mistletoe. Just be eighteen and up, or its onto the naughty list for you

Keep Me Warm at Christmas Jul 01 2022 Maybe this Christmas can thaw his frozen heart--and heal hers. Hollywood starlet Tia Beckett knows one moment can change your life. Her career had been on the fast track before a near-fatal accident left her with a debilitating facial scar. Certain her A-list dreams are over, she agrees to house-sit at her producer's secluded estate in Silver Springs. It's the escape from the limelight Tia's been craving, until she discovers she's not the only houseguest for the holidays. And her handsome new roomie is impossible to ignore. Artist Seth Turner has good reason to keep his distance. Losing his wife after only a few years of marriage has left a deep scar, even if he is still happy to spend a semester teaching art classes at the New Horizons Boys Ranch for troubled teens. Despite nursing her own wounds, Tia finds her curiosity piqued by enigmatic Seth, whom she recognizes as something of a kindred soul. Maybe spending Christmas together could be another game changer for both of them--this time, for good.
