Being Missional, Becoming Missional May 19 2021 This book explores the theme of the missional conversion of the church, namely how the church is transformed toward its missionary vocation, from a biblical-theological perspective. The purpose of this book is to find biblically grounded, theologically sound, and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today. The biblical-theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates, first, that, in Scripture, the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God, and, second, that this divine-human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church, on the one hand, and the missional failure of the church in its missionary vocation, on the other hand.

Book of Psalms Apr 29 2022 Book of Psalms - Devotional THE PSALMS A very important part of the Bible. A FIVE FOLD DEVOTIONAL BOOK There are five things to keep in mind when we look at the Psalms. These are covered within the pages of this devotional. But before introducing that, let us see the importance of the book of Psalms in knowing more about our Lord. Look carefully at Luke 24:25-27 and verses 44-45. He said to them, "How foolish you are, and how slow of heart to believe all that the prophets have spoken! Did not the Christ have to suffer these things and then enter his glory?" And beginning with Moses and all the Prophets, he explained to them what was said in all the Scriptures concerning himself. He said to them, "This is what I told you while I was still with you: Everything must be fulfilled that is written about me in the Law of Moses, the Prophets and the Psalms." Then he opened their minds so they could understand the Scriptures. Jesus used the Psalms many times in His teaching and life. They were much in His thinking. Here are some psalms concerning our Lord: David's greater Son 89 132 Incarnation of Son 8 40 Rejection of Christ 118 78:1-2 Betrayal of Christ 69 109 Death of Messiah & beyond 22 2 Victory over death 16 102 Messiah's marriage & ministry 45 110 Reign of glorious King 72 68 Paul also admonished the believers to make ready reference to the psalms: Ephesians 5:18-20 Colossians 3:16-17.

The Letters to Timothy and Titus Aug 22 2021 The most accessible, most broadly pitched full-length commentary on Timothy and Titus, this NICNT volume explores Paul's three letters to Timothy and Titus within their historical, religious, and cultural settings. In his introduction, Towner sets out the rationale for his historical approach, questions certain assumptions of recent critical scholarship, and establishes the uniqueness and individuality of each letter. Significantly, Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters. Centered on an outstanding translation of the Greek text and including thorough footnotes, bibliographical citations, and indexes, Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors, students, and scholars.

Salvation for the Righteous Revealed Feb 02 2020 The ethical emphasis in Jesus' gospel proclamation is grounded in Second Temple Judaism, particularly the demand of covenantal obedience, sectarian revelation, and the apocalyptic hope. He affirms the necessity of righteousness by redefining it in relation to himself as Messiah.

A Word Fitly Spoken Oct 31 2019 A Word Fitly Spoken explores significant poetic devices within the four alphabetic acrostic psalms found in Book I of the Psalter. The majority of scholarly opinion has been that these acrostics are poetically and artistically deficient due to the writers' and editors' preoccupation with the alphabetic pattern. In contrast to this view, A Word Fitly Spoken proposes that the acrostic pattern contributes to, rather than detracts from, the poetic artistry of these psalms. In an effort to promote a holistic, canonical reading of the four acrostic poems within Book I of the Psalter, this study also examines the linguistic and grammatical connections within the text. Such a close reading repeatedly demonstrates the emotive power and the imagination of this literature in contradiction to its supposedly stiff, wooden nature. A Word Fitly Spoken is attuned to the frequent plays on word and sound that occur throughout these four poems and as such would be useful in graduate courses on biblical interpretation, Hebrew poetry, or the Psalms.

Armies of Deliverance Jul 21 2021 Loyal Americans marched off to war in 1861 not to conquer the South but to liberate it. In Armies of Deliverance, Elizabeth Varon offers both a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims. Lincoln's Union coalition sought to deliver the South from slaveholder tyranny and deliver to it the blessings of modern civilization. Over the course of the war, supporters of black freedom built the case that slavery was the obstacle to national reunion and that emancipation would secure military victory and benefit Northern and Southern whites alike. To sustain their morale, Northerners played up evidence of white Southern Unionism, of antislavery

progress in the slaveholding border states, and of disaffection among Confederates. But the Union's emphasis on Southern deliverance served, ironically, not only to galvanize loyal Americans but also to galvanize disloyal ones. Confederates, fighting to establish an independent slaveholding republic, scorned the Northern promise of liberation and argued that the emancipation of blacks was synonymous with the subjugation of the white South.

Non-Retaliation in Early Jewish and New Testament Texts Jul 01 2022 This study examines the varieties and continuities of ethical exhortations and ideals in the Jewish and Christian traditions (c. 200 BCE-100 CE) that fall under the rubric of non-retaliation. One of the principal conclusions of this thought-provoking work is that a critical factor in determining the shape of non-retaliatory ethics is whether the exhortation is applied to relations within the local and/or elect community or to relations with oppressors of the elect community. It becomes apparent also that the non-retaliatory ethic of the NT stands solidly in the tradition of non-retaliatory ethics in Early Judaism.

Daniel Nov 05 2022 Some dreams or visions, if they are symbolic in nature, require an interpretation. This unique book "Daniel: Understanding the Dreams and Visions" unlocks and explains the structure and mysteries of the prophecies in the book of Daniel. It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible. "Daniel" expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms/empires many centuries in advance. The truths of these prophecies have withstood every attack from every scholar and skeptic. According to the Talmud and the Hebrew Scriptures, Daniel received and interpreted dreams and visions, similar to many other Jewish prophets. This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords, maps, pictures, illustrations, charts, tables and secular historical records. The Author adds comments only where necessary. An understanding of the Old Testament book of Daniel will set the foundation for a better understanding of the prophecies in the book of Revelation. In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events. The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel. For as Jesus said, "And now I have told you before it come to pass, that, when it is come to pass, ye might believe." JOHN 14:29. "Take heed that no man deceive you." Matt. 24:4.

Dismissing Jesus Oct 04 2022 What is the way of the cross? Why does it create resistance? How do we answer objections to it? The revival of interest in Christ's kingdom and radical discipleship has produced a wave of discussions, but sometimes those discussions are scattered. This book aims to pull together in one place the core claims of the way of the cross. It aims to examine the deeply cherished assumptions that hinder us from hearing Jesus's call. When we do that, we'll see that the gospel of Christ is not primarily about getting into heaven or about living a comfortable, individually pious, middle-class life. It is about being free from the ancient, pervasive, and delightful oppression of Mammon in order to create a very different community, the church, an alternative city-kingdom here and now on earth by means of living and celebrating the way of the cross—the reign of joyful weakness, renunciation, self-denial, sharing, foolishness, community, and love overcoming evil.

Singing Mary's Song Jun 07 2020 Soon after the angel Gabriel announced to Mary the astonishing news that she would bear the long-awaited Messiah, Mary went to visit her cousin Elizabeth, who was also expecting a child. As Mary greeted Elizabeth, the child in Elizabeth's womb (John the Baptist) leaped inside her. Elizabeth exclaimed to Mary, "God has blessed you among all women. Why do I have this honor, that the mother of my Lord should come to me?" Mary responded by singing a song of praise to God, commonly known as the Magnificat. Her song, recorded in Luke 1:46-55, was not a sweet lullaby sung in anticipation of the baby Jesus' birth, Stroman says. Instead, it was a message of deliverance and hope. Mary's song proclaimed deliverance and hope to a dark and fearful world. It continues to bring challenge and hope to us today. Singing Mary's Song provides scripture readings, meditations, and prayers for each day of Advent. Each week's readings focus on various lines of Mary's song. Reflection questions are included each week. This Advent study will give you new insight into the life of Mary. Listen closely to Mary's song and discover its message for you today. A great study for individuals or groups!

Constructing Exile Mar 05 2020 What happens to a community when it is destroyed by a foreign power? How do survivors face the future? Is it all over for them? In *Constructing Exile*, John Hill investigates how the people of ancient Judah survived invasion and destruction at the hands of the Babylonians. Although some of them were deported to Babylon, they created a new identity for themselves, and then, once they were back in Judah, they tried to recreate the past. Hill examines the way that later generations used the experience of the Babylonian invasion to interpret the crises of their own times. He shows how by the time of Jesus exile had become an image Judaism used to understand itself and its story.

Pentecostal and Charismatic Spiritualities and Civic Engagement in Zambia Jan 03 2020 For the past sixty years, the Pentecostal and Charismatic movement has played a major role in Zambia. In this book, Naar Mfundisi-Holloway explains the history of this development and its impact on civic engagement. She opens a discussion on church-state relations and explains how the church presented a channel of hope in the wake of the HIV/AIDS pandemic, despite having a history that eschewed civic engagement. In fact, the pandemic propelled the church to work alongside the state in the fight against the disease. Using interviews and historical analysis, this book provides valuable insight into how Pentecostal and Charismatic churches have effectively engaged matters of civic concern in Zambia dating from colonial times.

Future of Hope and Present Reality Sep 22 2021 This book is the first of a two-volume work with the overall title "Future Hope and Present Reality .

These volumes had their origin in the Speaker's Lectures that Andrew Chester gave in Oxford; their main focus is central themes in biblical eschatology, and especially the apparent contradictions between what is hoped for in the future and what is experienced in the present: the stark discrepancy, that is, between the world as it is and the world as it should be. In this first volume, as the subtitle "Eschatology and Transformation in the Hebrew Bible" indicates, the author is concerned with the Hebrew Bible (or Old Testament; the second will be on the New Testament). He deals, successively, with central eschatological themes and the deep tensions they involve: divine threats of an absolute end (to human life and to the world itself), and divine promises of blessing and transformation, along with the theological questions inevitably raised by these - both in themselves and in relation to each other; the whole phenomenon of prophecy, and the problems it involves - not least, whether it can be taken seriously, in face of the contradictions and failures it manifests. He discusses the sheer discrepancy between ideal and reality in traditions relating to kingship, along with the tensions inherent in the emergence of messianic hope; death, as representing the end of any relationship with God, along with hope that goes beyond death - in relation both to the individual and also the nation; and, finally, visions of a transformed and paradisaical world, and whether these can bear any relation to reality. It is argued that the Hebrew Bible can be seen to offer genuine grounds for hope, but that these can have any cogency only if the problems involved are really engaged with."

Theology for Earth Community Jul 09 2020 This volume brings together original essays by both seasoned professionals and emerging scholars who examine state-of-the-art scholarship and pedagogy in ecologically-alert theology. Authors assess what various theologians have to offer, and draw implications for reshaping religious and environmental studies, as well as preparing the next generations of church leaders or pastoral workers. What needs to be done, these authors ask, to bring biblical studies, systematics, social ethics, practical theology, spiritual formation, and liturgy up to speed with eco-justice thought and action on environmental questions?

The People Called Feb 25 2022 In this unique work, Paul Hanson traces the concept of "community" from its early biblical origins through the end of the apostolic age. This edition includes a chapter devoted to the contemporary implications of this concept and in his new introduction, the author further explores the importance of this theme.

The Importance of Inner Healing and Deliverance for Effective Discipleship Sep 10 2020 Personal encounters with God are vital for the current generation of believers—the postmodern/millennial generation who affirm truth through experience. Instead of the traditional view of inner healing and deliverance (IHD) as a "hospital unit" of the church, this dissertation-turned-book will explain the biblical, theological, and current relevance of incorporating IHD into the discipleship structure of the local church. With field research based in Singapore and Taiwan, a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God, experience divine healing and wholeness, and become equipped for ongoing sanctification.

The Crucifixion May 31 2022 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model.

Holy War in the Bible Apr 05 2020 The first of its kind, this collection offers a constructive response to the question of holy war and Christian morality from an interdisciplinary perspective. By combining biblical, ethical, philosophical and theological insights, the contributors offer a composite image of divine redemption that promises to take the discussion to another level.

Exodus Nov 12 2020 Just as the first book of the Bible, Genesis, is called the Book of Beginnings, the second book, Exodus, is known as the Book of Redemption. The name Exodus comes from the Greek translation of the Old Testament and it means "way out." The book's central theme is deliverance! It's the deliverance or "way out" of Israel from bondage in Egypt. God sent Moses to deliver Israel from Egypt. God sent Jesus Christ to deliver the world from sin. We all need deliverance! And it has been given. God always makes a way out!

Write That They May Read Mar 29 2022 Write That They May Read is a collection of essays written in honor of our mentor, friend, and fellow scholar, Professor Alan R. Millard. The contributors are distributed among Professor Millard's peers and colleagues in a variety of institutions, his own students, and students of his students. Black Religious Intellectuals Aug 10 2020 Professor Clarence Taylor sheds some much-needed light on the rich intellectual and political tradition that lies in the black religious community. From the Pentecostalism of Bishop Smallwood Williams and the flamboyant leadership of the Reverend Al Sharpton, to the radical Presbyterianism of Milton Arthur Galmison and the controversial and mass-mobilization by Minister Louis Farrakhan, black religious leaders have figured prominently in the struggle for social equality in America.

The Revelation Problem Jun 27 2019 John T. Spivey breaks Revelation free from the confusing futurist interpretations and shows that St. John wrote to the Early Church to build its faith during persecution by the Roman Empire. He further shows that St. John predicted the fall of the Roman Empire.

Mr. Spivey calls on many ancient historians and Early Church fathers to present their testimonies to show that Revelation's predictions are subject to analysis and proof. He shows that St. John described the desolation of Judea and the deliverance of the Christian community from the destruction of Jerusalem in the Roman-Jewish War of AD 66-70 as completed events to build confidence in what would happen in the time of Roman persecution. Mr. Spivey also explains the millennium and the end of time in fresh, new ways that are scientifically sound and that affirm the Bible at every point.
